PUBLIC QUESTION PERIOD

Mr. Barry Baumgardner of 601 Willow Crescent presented Mayor & Council with some Scentless Chamomile advising that it is one of the top five (5) noxious weeds and that one (1) plant alone can produce one (1) million seeds. Mr. Baumgardner made a note of concern that there are a lot of Scentless Chamomile along English Bay Road and other areas throughout the City of Cold Lake.

Chief Administrative Officer K. Nagoya advised that removal orders are given out yearly to property owners with an excess of Scentless Chamomile on their property, and noted that a lot of property owners think that Scentless Chamomile are a daisy flower and are unaware that they are actually a noxious weed.

STAFF REPORT

Title: City Financial Reports - June 2020

Meeting Date: August 11, 2020

Executive Summary:

Administration presents monthly financial information to Council which includes accounts payable cheques, bank reconciliation and variance reports. The variance report includes estimated school board requisitions that have been included in the budget.

Background:

As of June 30, 2020 the bank had a balance of \$18,690,415. In July \$18M of this balance was transferred; \$10M to a High Interest Savings account, \$6M to a bond, and \$2M to a short-term GIC. The Investment portfolio had a book value of \$65,513,618 inclusive of accrued interest, and a market value of \$65,960,182.

On March 24, 2020 Council passed a budget totaling \$53,528,632 to replace the interim budget previously passed. School requisitions totaling \$6,672,151 have also been added to the budget for a total of \$60,200,783. The following figures for the June 30, 2020 variance report reflect the new budget passed and are as follows inclusive of tax penalties due to the ongoing legal case regarding the Payment in Lieu of taxes (PILT) of \$2,374,843. Annually Administration sets up an allowance to offset the penalty for PILT.

	YTD	Budget	%
Revenue	\$ 38,078,604	\$ 60,200,783	63.25
Expenses	\$ 21,973,891	\$ 60,200,783	36.50

Figures excluding recognized revenue from PILT penalty and allowances:

	YTD	Budget	%
Revenue	\$ 35,703,761	\$ 60,200,783	59.31
Expenses	\$ 19,599,048	\$ 60,200,783	32.56

Alternatives:

Recommended Action:

Administration recommends that Council accept the financial reports for the period ending June 30, 2020 including accounts payable cheque numbers 137505 to 137835.

STAFF REPORT

Title: Tax Recovery Sale Extension

Meeting Date: August 11, 2020

Executive Summary:

Annually the Tax Sale Recovery Auction is held the last week of March. Subsequently, due to the COVID-19 situation, Alberta Municipal Affairs released ministerial Order MAG:014/20 dated April 17, 2020 where the deadline to hold the tax sale was extended to October 1, 2020. At the May 12, 2020 regular Council meeting Council passed a motion to set the Auction to Sept 10, 2020. Issues have come to the attention of the City regarding the 2 properties to be sold at the auction therefore Administrations is asking Councils consideration to set the Tax Sale Recovery Auction date to September 29, 2020 in order to seek advice on the issues.

Background:

The City currently has 2 properties with property tax arrears that must be sold by public auction by October 1, 2020 as per Ministerial Order MAG:014/20. These properties had reserve bids set by Council on February 25, 2020 as follows:

Lot 3, Block A, Plan 8521872 Title 14208505	6 Vacant Res. Med. Density	\$ 412,000
Lot 5, Block A, Plan 8521872 Title 142085056	6001 Vacant Res. Med. Density	\$ 353,000

To date the City has followed all the requirements of the MGA and has registered a tax recovery lien against the properties. All notifications have been sent to the appropriate parties. Numerous attempts have been made to contact and collect the tax arrears including offering tax repayment agreements to the owners.

Lot 3, Block A, Plan 8521872 is a vacant residential lot zoned medium density in Cold Lake North. The City registered a lien on the property on March 31, 2018. All efforts to obtain payment from the property owner has failed. An advertisement was placed in the January 31 issue of the Alberta gazette and a copy of this advertisement has been sent to the home owner.

Lot 5, Block A, Plan 8521872 is a vacant residential lot zoned medium density in Cold Lake North. The City registered a lien on the property on March 31, 2018. All efforts to obtain payment from the property owner has failed. An advertisement was placed in the January 31 issue of the Alberta gazette and a copy of this advertisement has been sent to the home owner.

If a property sells it will be sold "as is where is" condition. If the property sells at the auction and there is a tenant the new owner would be responsible for the tenant. A purchaser is entitled to acquire the land free of encumbrances with exceptions as listed in section 423 of the MGA. The City must notify the owner if there is any remaining proceeds. The proceeds must be kept for 10 years or until they are paid out to the owner. If the property does not sell the City may continue to try to sell the property at a price reasonably close to market as possible. If the property does not sell after 15 years the City can request the Registrar to issue a new certificate of title in the municipality's name.

Administration will advertise and post the auction prior to the scheduled date as well as notifying all appropriate parties.

Alternatives:

Council may consider the following options:

- 1. Council may pass a resolution to set the tax sale auction to September 29, 2020.
- 2. Council may choose another tax sale date as long as it's on or before October 1, 2020.
- 3. Council may choose to leave the tax sale auction on September 10, 2020.

Recommended Action:

Firstly, administration is recommending that Council pass a motion to table the issue until after the agenda issue titled "Legal - Harwood Homes" which is an in camera briefing.

Once Council brings this issue back to the agenda; Administration recommends that Council set the Tax Sale Auction date to September 29, 2020.

Budget Implications (Yes or No): No

8. Anything that, under normal timelines pursuant to Parts 9, 10, 11, 12 of the *Municipal Government Act* and its associated regulations, would have been required to be done between the period of March 25, 2020 and the date this Order is signed, which as a result of Ministerial Order MSD 022/20 was not done, and which is not otherwise addressed in this Order, must be completed no later than May 31, 2020.

Dated at Edmonton, Alberta, this 17th day of Amil , 2020.

Kelechi Madu, QC Minister of Municipal Affairs

municipality will offer the parcel for sale at a public auction, and

(b) that the municipality may become the owner of the parcel after the public auction if the parcel is not sold at the public auction.

(3) The notice must be sent to the address shown on the records of the Land Titles Office for each person referred to in subsection (1). 1994 cM-26.1 s417;1995 c24 s61

Offer of parcel for sale

418(1) Each municipality must offer for sale at a public auction any parcel of land shown on its tax arrears list if the tax arrears are not paid.

(2) Unless subsection (4) applies, the public auction must be held in the period beginning on the date referred to in section 417(2)(a) and ending on March 31 of the year immediately following that date.

(3) Subsection (1) does not apply to a parcel in respect of which the municipality has started an action under section 411(2) to recover the tax arrears before the date of the public auction.

(4) The municipality may enter into an agreement with the owner of a parcel of land shown on its tax arrears list providing for the payment of the tax arrears over a period not exceeding 3 years, and in that event the parcel need not be offered for sale under subsection (1) until

- (a) the agreement has expired, or
- (b) the owner of the parcel breaches the agreement,

whichever occurs first.

1994 cM-26.1 s418;1995 c24 s62;1996 c30 s35

Reserve bid and conditions of sale

419 The council must set

- (a) for each parcel of land to be offered for sale at a public auction, a reserve bid that is as close as reasonably possible to the market value of the parcel, and
- (b) any conditions that apply to the sale.

1994 cM-26.1 s419

Right to possession

420(1) From the date on which a parcel of land is offered for sale at a public auction, the municipality is entitled to possession of the parcel.

(2) For the purposes of obtaining possession of a parcel of land, a designated officer may enter the parcel and take possession of it for and in the name of the municipality and, if in so doing resistance is encountered, the municipality may apply to the Court of Queen's Bench for an order for the possession of the parcel.

RSA 2000 cM-26 s420;2009 c53 s119

Advertisement of public auction

421(1) The municipality must advertise the public auction

- (a) in one issue of The Alberta Gazette, not less than 40 days and not more than 90 days before the date on which the public auction is to be held, and
- (b) in one issue of a newspaper having general circulation in the municipality, not less than 10 days and not more than 20 days before the date on which the public auction is to be held.

(2) The advertisement must specify the date, time and location of the public auction, the conditions of sale and a description of each parcel of land to be offered for sale.

(3) The advertisement must state that the municipality may, after the public auction, become the owner of any parcel of land not sold at the public auction.

(4) Not less than 4 weeks before the date of the public auction, the municipality must send a copy of the advertisement referred to in subsection (1)(a) to

- (a) the owner of each parcel of land to be offered for sale,
- (b) each person who has an interest in any parcel to be offered for sale that is evidenced by a caveat registered by the Registrar, and
- (c) each encumbrancee shown on the certificate of title for each parcel to be offered for sale.

1994 cM-26.1 s421;1995 c24 s63

Adjournment of auction

422(1) The municipality may adjourn the holding of a public auction to any date within 2 months after the advertised date.

Transfer of parcel to municipality

424(1) The municipality at whose request a tax recovery notification was endorsed on the certificate of title for a parcel of land may become the owner of the parcel after the public auction, if the parcel is not sold at the public auction.

(2) If the municipality wishes to become the owner of the parcel of land, it must request the Registrar to cancel the existing certificate of title for the parcel of land and issue a certificate of title in the name of the municipality.

(3) A municipality that becomes the owner of a parcel of land pursuant to subsection (1) acquires the land free of all encumbrances, except

- (a) encumbrances arising from claims of the Crown in right of Canada,
- (b) irrigation or drainage debentures,
- (c) registered easements and instruments registered pursuant to section 69 of the *Land Titles Act*,
- (d) right of entry orders as defined in the *Surface Rights Act* registered under the *Land Titles Act*,
- (e) a notice of lien filed pursuant to section 38 of the *Rural Utilities Act*,
- (f) a notice of lien filed pursuant to section 20 of the *Rural Electrification Loan Act*, and
- (g) liens registered pursuant to section 21 of the *Rural Electrification Long-term Financing Act.*

(4) A certificate of title issued to the municipality under this section must be marked "Tax Forfeiture" by the Registrar. 1994 cM-26.1 s424;1995 c24 s64;1996 c30 s36;1998 c24 s38; 1999 c11 s23

Right to dispose of parcel

425(1) A municipality that becomes the owner of a parcel of land pursuant to section 424 may dispose of the parcel

- (a) by selling it at a price that is as close as reasonably possible to the market value of the parcel, or
- (b) by depositing in the account referred to in section 427(1)(a) an amount of money equal to the price at which the

(2) If a public auction is adjourned, the municipality must post a notice in a place that is accessible to the public during regular business hours, showing the new date on which the public auction is to be held.

(3) If a public auction is cancelled as a result of the tax arrears being paid, the municipality must post a notice in a place that is accessible to the public during regular business hours stating that the auction is cancelled.

Right to a clear title

423(1) A person who purchases a parcel of land at a public auction acquires the land free of all encumbrances, except

- (a) encumbrances arising from claims of the Crown in right of Canada,
- (b) irrigation or drainage debentures,
- (c) caveats referred to in section 39.2(11) of the *Condominium Property Act*,
- (d) registered easements and instruments registered pursuant to section 69 of the *Land Titles Act*,
- (e) right of entry orders as defined in the *Surface Rights Act* registered under the *Land Titles Act*,
- (e.1) a caveat that, pursuant to section 3.1(6)(f)(iv) of the *New Home Buyer Protection Act*, remains registered against the certificate of title to the land,
 - (f) a notice of lien filed pursuant to section 38 of the *Rural Utilities Act*,
 - (g) a notice of lien filed pursuant to section 20 of the *Rural Electrification Loan Act*, and
 - (h) liens registered pursuant to section 21 of the *Rural Electrification Long-term Financing Act.*

(2) A parcel of land is sold at a public auction when the person who is acting as the auctioneer declares the parcel sold.

(3) There is no right under section 415 to pay the tax arrears in respect of a parcel after it is declared sold. RSA 2000 cM-26 s423;2014 c10 s59;2015 c8 s53

ADVERTISEMENTS

Public Sale of Land

(Municipal Government Act)

City of Cold Lake

Notice is hereby given that, under the provisions of the Municipal Government Act, the City of Cold Lake will offer for sale, by public auction, in the Council Chambers at City Hall, 5513 48 Avenue, Cold Lake, Alberta, on Wednesday, March 25, 2020, at 5:00 p.m., the following land:

Lot	Block	Plan	C. of T.
3	А	8521872	142085056
5	А	8521872	1420850560001
21	2	0726988	112372036

These parcels will be offered for sale, subject to a reserve bid and to the reservations and conditions contained in the existing certificate of title.

Each parcel is being offered for sale on an "as is, where is" basis, and the City of Cold Lake makes no representation and gives no warranty whatsoever as to the adequacy of services, soil conditions, land use districting, building and development conditions, absence or presence of environmental contamination, vacancy, or the ability to develop the subject land for any intended use by the purchaser. No bid will be accepted where the bidder attempts to attach conditions precedent to the sale of any parcel. No terms and conditions of sale will be considered other than those specified by the City.

The City of Cold Lake may, after the public auction, become the owner of any parcel of land not sold at the public auction.

Terms: Cash, bank draft or certified cheque. A 10% deposit is payable upon the acceptance of the bid at public auction. The balance of the accepted bid is due by March 31, 2020 or the deposit will be forfeited and the City will consider the next bid.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at Cold Lake, Alberta, December 10, 2019.

Linda Mortenson, General Manager, Corporate Services.

City of Cold Lake

The purpose of this appraisal and appraisal report is to ascertain and report the market value, as defined in this appraisal report, of the subject land, located at Lot 3 Blk A PI 852 1872, Cold Lake, Alberta in fee simple, for the function of marketing and re-sale.

Fee simple is an absolute fee, a fee without limitations to any particular class of heirs or restrictions, but subject to the limitations of eminent domain, escheat, police power, and taxation. It is an inheritable estate.

The appraiser has personally viewed the subject property on January 24, 2020 and has gathered and analyzed all the data obtained from the local real estate board, the Multiple Listing Service, the public record, and the appraiser's own files. The appraiser has omitted the cost approach and income approach analysis as they are considered inapplicable and inappropriate for this type of appraisal assignment. The appraiser has further completed a sales comparison approach analysis.

This appraisal and appraisal report have been completed in accordance with the Uniform Standards of Professional Appraisal Practice (USPAP).

It is the opinion of the appraiser that the market value of the subject property as of January 24, 2020, is:

Four Hundred Twelve Thousand Dollars \$412,000

THIS REPORT CONTAINS AND IS SUBJECT TO specific terminology descriptions, conditions, and special limitations which affect the stated opinion of market value, the use, and the intended user of the report. Please carefully read, and pay particular attention to all of these descriptions, conditions, and special limitations.

GENERAL COMMENTS

For the purpose of this appraisal report, the highest and best use is defined as that legally permitted use for which there is a demand, and is most likely to produce the greatest net return, tangible or intangible, to the subject property, while utilizing the property as a whole. The subject property and it is the opinion of the appraiser that this activity constitutes the highest and best use.

The income approach to value was not considered as no properties similar to the subject, in the subject market area, were predominately leased at the time of sale. It is therefore, impossible to determine a legitimate rent multiplier figure necessary in calculating a valid income approach value.

The appraiser assumes that all information describing the insulation, and the water and sewer systems supplied by the owner of other sources, is correct. This information was not verified by the appraiser.

Cost Data (If Applicable)

The cost approach calculations were based on current information published by the Marshall & Swift Company and were adjusted for geographical location, climatic conditions, seismic zones, and wind factors. Physical depreciation was calculated using the modified effective age/life method, utilizing **Marshall & Swift Cost Manual** as a base. The accrued depreciation includes any applicable functional and external obsolescence. The land value was determined from an analysis of the most recent sales of similar but undeveloped land in the subject market area, and by the abstraction method utilizing the comparables incorporated in the sales comparison analysis.

Sales Comparison Data

The date of sale figures reflect the actual contract date of each comparable. The condition adjustment reflects both the incurable and the curable physical depreciation and was calculated by a comparison of the effective age of the subject's improvements to that of the respective comparable. The difference of the respective depreciation rates was then applied to the abstracted value of the improvements only. The gross living area adjustments reflect both size and room differences. These adjustments have been calculated by abstracting from the sales price of each comparable, the market value of all items which do not contribute to the actual Gross Living Area of the house itself. The residual was then divided by the size of the respective house to arrive at an average market value per square foot or meter. The values thus derived from each of the comparables were correlated with the depreciated cost of the subject to arrive at the actual adjustment rate utilized.

SPECIAL LIMITATIONS

This APPRAISAL REPORT has been prepared for the sole and exclusive use and benefit of **City of Cold Lake**

______ (hereinafter referred to as the client). Any use of this report by anyone other than the client or for any purpose or function other than the original intent, invalidates the findings and voids all results and or conclusions.

All analysis, opinions, and conclusions were developed, and this appraisal report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the code of ethics of the Canadian National Association of Real Estate Appraisers.

It is assumed that the utilization of land and any improvements thereon, are within the boundaries of the property lines of the described property and that there is no encroachment or trespass, unless otherwise stated in the appraisal report.

It is assumed that the subject property is in full compliance with all applicable Federal, State/Provincial, and local environmental regulations and laws unless otherwise stated in the appraisal report.

It is assumed that all required licenses, consents, or any required legislative or administrative authority from any local, State/Provincial, Federal, or private entity or organization, have been acquired and or renewed for any use upon which the value opinion in the appraisal report is based.

It is assumed that any lease encumbrances pertaining to the subject property are legally binding contracts between the lessee and the lessor and that all information transmitted to the appraiser concerning these lease contracts is accurate and correct. Although this appraisal report may include information concerning the physical improvements being appraised, including their adequacy and or condition, it should be understood that this information is provided only for use as a general guide in the valuation of the subject property and is not to be construed as a complete or detailed physical report. The observed condition of the roof, exterior walls, foundation, interior walls, floors, heating system, plumbing, insulation, electrical system, and any other of the mechanical system or physical components of the improvements is based on a casual viewing only. **No detailed inspection was made**. The improvements were not checked for current building code violations unless otherwise noted in the appraisal report. If such an inspection is required, the client is advised to retain the services of an expert in this field.

SCOPE OF THE APPRAISAL

The Scope of the Appraisal contains the necessary research and analysis to prepare a report in accordance with its intended use. The following are comments which describe the extent of the procedures used in the collection, confirmation and reporting of the information involved in preparing this report.

Collection and confirmation of data consisted of the following:

- 1. A personal site viewing was performed on January 24, 2020 by Colleen Hoolahan. The appraisal and appraisal report were completed by Colleen Hoolahan.
- 2. Site area taken from the Title Search.
- 3. Property assessment and taxes, and land use classification are sourced from the corresponding municipality/town (jurisdiction GIS system).
- 4. Supportive market information regarding comparable properties is obtained through the Edmonton Real Estate Board and Land Sales from the Northern Alberta Land Data System. Comparable market information was confirmed with either the listing selling realtor or other participants who are knowledgeable of the transaction details.
- 5. The market value includes the 5 % GST if applicable.
- 6. The property rights appraised are those of the owners in the Fee Simple Estate and the effective date of the Appraisal is January 24, 2020.
- 7. Occupancy and site history of the subject is described below.

OCCUPANCY AND SITE HISTORY

Subject property is vacant land (R3).

REASONABLE EXPOSURE TIME

Form #: CSA-SCOPE 09/97

An estimate of market value is related to the concept of reasonable exposure time. Exposure time is the property's estimated marketing time prior to a hypothetical sale at market value on the effective date of appraisal. It is a retrospective function of asking price, property type, and past market conditions; and encompasses not only adequate, sufficient and reasonable time but also adequate, sufficient and reasonable effort. Reasonable exposure time is one of the necessary elements in the most market value definition, although it is not intended to be a prediction of a specific date of sale as it may be expressed as a range.

In appraisal theory and practice, there is a distinction relating to perspective between exposure time and marketing time; exposure time is presumed to precede the effective date of appraisal whereas marketing time is presumed to succeed the effective date. Marketing time is a prospective function of asking price, property type and anticipated market conditions.

The subject's market value estimate is based on a reasonable exposure time of 180 + days at an asking price of 5 % greater than expected value. The market value conclusion should not be viewed as a full detailed narrative report. The contents are concise and briefly descriptive. The market value is based upon a review of available sales data, primarily the data listed on a "Multiple Listing Service" and private sales from office records. The MLS sales are not normally inspected nor verified unless there is a reason to doubt their accuracy. The sales data is then adjusted by way of the application of appraisal theory and experience. It is often necessary to use adjustments that are subjective to derive the current market value of the subject. In most instances the comparables were not inspected on the interior.

LAND APPRAISAL REPORT

OF THE LAND LOCATED AT

Lot 5 Blk A Pl 852 1872 City of Cold lake, AB

PREPARED FOR

City of Cold Lake

PREPARED BY

Colleen Hoolahan DAR/Certified Appraisal Reviewer

File No.: 20-034

January 24, 2020

City of Cold Lake

The purpose of this appraisal and appraisal report is to ascertain and report the market value, as defined in this appraisal report, of the subject land, located at Lot 5 Blk A PI 852 1872, Cold Lake, Alberta in fee simple, for the function of marketing and re-sale.

Fee simple is an absolute fee, a fee without limitations to any particular class of heirs or restrictions, but subject to the limitations of eminent domain, escheat, police power, and taxation. It is an inheritable estate.

The appraiser has personally viewed the subject property on January 24, 2020 and has gathered and analyzed all the data obtained from the local real estate board, the Multiple Listing Service, the public record, and the appraiser's own files. The appraiser has omitted the cost approach and income approach analysis as they are considered inapplicable and inappropriate for this type of appraisal assignment. The appraiser has further completed a sales comparison approach analysis.

This appraisal and appraisal report have been completed in accordance with the Uniform Standards of Professional Appraisal Practice (USPAP).

It is the opinion of the appraiser that the market value of the subject property as of January 24, 2020, is:

Three Hundred Fifty-Three Thousand Dollars \$353,000

THIS REPORT CONTAINS AND IS SUBJECT TO specific terminology descriptions, conditions, and special limitations which affect the stated opinion of market value, the use, and the intended user of the report. Please carefully read, and pay particular attention to all of these descriptions, conditions, and special limitations.

GENERAL COMMENTS

For the purpose of this appraisal report, the highest and best use is defined as that legally permitted use for which there is a demand, and is most likely to produce the greatest net return, tangible or intangible, to the subject property, while utilizing the property as a whole. The subject property is Vacant Land R3 - Medium Density Res (Row House) and it is the opinion of the appraiser that this activity constitutes the highest and best use.

The income approach to value was not considered as no properties similar to the subject, in the subject market area, were predominately leased at the time of sale. It is therefore, impossible to determine a legitimate rent multiplier figure necessary in calculating a valid income approach value.

The appraiser assumes that all information describing the insulation, and the water and sewer systems supplied by the owner of other sources, is correct. This information was not verified by the appraiser.

Cost Data (If Applicable)

The cost approach calculations were based on current information published by the Marshall & Swift Company and were adjusted for geographical location, climatic conditions, seismic zones, and wind factors. Physical depreciation was calculated using the modified effective age/life method, utilizing Marshall & Swift Cost Manual as a base. The accrued depreciation includes any applicable functional and external obsolescence. The land value was determined from an analysis of the most recent sales of similar but undeveloped land in the subject market area, and by the abstraction method utilizing the comparables incorporated in the sales comparison analysis.

Sales Comparison Data

The date of sale figures reflect the actual contract date of each comparable. The condition adjustment reflects both the incurable and the curable physical depreciation and was calculated by a comparison of the effective age of the subject's improvements to that of the respective comparable. The difference of the respective depreciation rates was then applied to the abstracted value of the improvements only. The gross living area adjustments reflect both size and room differences. These adjustments have been calculated by abstracting from the sales price of each comparable, the market value of all items which do not contribute to the actual Gross Living Area of the house itself. The residual was then divided by the size of the respective house to arrive at an average market value per square foot or meter. The values thus derived from each of the comparables were correlated with the depreciated cost of the subject to arrive at the actual adjustment rate utilized.

SPECIAL LIMITATIONS

This APPRAISAL REPORT has been prepared for the sole and exclusive use and benefit of City of Cold Lake

(hereinafter referred to as the client). Any use of this report by anyone other than the client or for any purpose or function other than the original intent, invalidates the findings and voids all results and or conclusions.

All analysis, opinions, and conclusions were developed, and this appraisal report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the code of ethics of the Canadian National Association of Real Estate Appraisers.

It is assumed that the utilization of land and any improvements thereon, are within the boundaries of the property lines of the described property and that there is no encroachment or trespass, unless otherwise stated in the appraisal report.

It is assumed that the subject property is in full compliance with all applicable Federal, State/Provincial, and local environmental regulations and laws unless otherwise stated in the appraisal report.

It is assumed that all required licenses, consents, or any required legislative or administrative authority from any local, State/Provincial, Federal, or private entity or organization, have been acquired and or renewed for any use upon which the value opinion in the appraisal report is based.

It is assumed that any lease encumbrances pertaining to the subject property are legally binding contracts between the lessee and the lessor and that all information transmitted to the appraiser concerning these lease contracts is accurate and correct. Although this appraisal report may include information concerning the physical improvements being appraised, including their adequacy and or condition, it should be understood that this information is provided only for use as a general guide in the valuation of the subject property and is not to be construed as a complete or detailed physical report. The observed condition of the roof, exterior walls, foundation, interior walls, floors, heating system, plumbing, insulation, electrical system, and any other of the mechanical system or physical components of the improvements is based on a casual viewing only. No detailed inspection was made. The improvements were not checked for current building code violations unless otherwise noted in the appraisal report. If such an inspection is required, the client is advised to retain the services of an expert in this field.

SCOPE OF THE APPRAISAL

The Scope of the Appraisal contains the necessary research and analysis to prepare a report in accordance with its intended use. The following are comments which describe the extent of the procedures used in the collection, confirmation and reporting of the information involved in preparing this report.

Collection and confirmation of data consisted of the following:

- 1. A personal site viewing was performed on January 24, 2020 by Colleen Hoolahan. The appraisal and appraisal report were completed by Colleen Hoolahan.
- 2. Site area taken from the Title Search.
- 3. Property assessment and taxes, and land use classification are sourced from the corresponding municipality/town (jurisdiction GIS system).
- 4. Supportive market information regarding comparable properties is obtained through the Edmonton Real Estate Board and Land Sales from the Northern Alberta Land Data System. Comparable market information was confirmed with either the listing selling realtor or other participants who are knowledgeable of the transaction details.
- 5. The market value includes the 5 % GST if applicable.
- 6. The property rights appraised are those of the owners in the Fee Simple Estate and the effective date of the Appraisal is January 24, 2020.
- 7. Occupancy and site history of the subject is described below.

OCCUPANCY AND SITE HISTORY

Subject property is vacant land (R3).

REASONABLE EXPOSURE TIME

Form #: CSA-SCOPE 09/97

An estimate of market value is related to the concept of reasonable exposure time. Exposure time is the property's estimated marketing time prior to a hypothetical sale at market value on the effective date of appraisal. It is a retrospective function of asking price, property type, and past market conditions; and encompasses not only adequate, sufficient and reasonable time but also adequate, sufficient and reasonable effort. Reasonable exposure time is one of the necessary elements in the most market value definition, although it is not intended to be a prediction of a specific date of sale as it may be expressed as a range.

In appraisal theory and practice, there is a distinction relating to perspective between exposure time and marketing time; exposure time is presumed to precede the effective date of appraisal whereas marketing time is presumed to succeed the effective date. Marketing time is a prospective function of asking price, property type and anticipated market conditions.

The subject's market value estimate is based on a reasonable exposure time of 180 + days at an asking price of 5 % greater than expected value. The market value conclusion should not be viewed as a full detailed narrative report. The contents are concise and briefly descriptive. The market value is based upon a review of available sales data, primarily the data listed on a "Multiple Listing Service" and private sales from office records. The MLS sales are not normally inspected nor verified unless there is a reason to doubt their accuracy. The sales data is then adjusted by way of the application of appraisal theory and experience. It is often necessary to use adjustments that are subjective to derive the current market value of the subject. In most instances the comparables were not inspected on the interior.

STAFF REPORT

Title: Request for Funding - Bonnyville and District Chamber of Commerce - Lakeland Business of the Year Awards Gala

Meeting Date: August 11, 2020

Executive Summary:

A letter (attached) has been received from the Lakeland Business of the Year Awards (BOYA) Committee with respect to their 7th Annual Lakeland Business of the Year Awards Gala being held Friday, October 16, 2020 at the Bonnyville Centennial Centre. This year's gala will once again be a kick off to Small Business Week.

The Cold Lake Regional Chamber of Commerce (CLRCC) and the Bonnyville & District Chamber of Commerce have amalgamated this event in order to better serve the region. Last year's event was hosted at the Cold Lake Energy Centre and will alternate in subsequent years.

The Lakeland BOYA Committee are requesting from each of the participating municipalities support by way of a \$1,500.00 "supporting" sponsorship. This sponsorship has been designed to provide an environment to celebrate the accomplishments of Lakeland Businesses.

In return for the sponsorship, the City will receive two (2) tickets to the event, the City's logo on any and all media utilized, small company logo featured in the gala program and on a looped video as well as speaker recognition during the gala.

Background:

At their November 26, 2019 regular meeting of Council, Council resolved to postpone this item to the January 28, 2020 regular meeting of Council.

At their regular meeting held January 28, 2020, Council resolved to postpone this request to their March 10, 2020 regular meeting of Council.

At their regular meeting held March 10, 2020, Council resolved to postpone this request to their April 14, 2020 regular meeting of Council.

At Council's regular meeting held April 14, 2020, Council resolved to postpone this request to their August 11, 2020 regular meeting of Council.

In the past, Council has provided the CLRCC with the following venue sponsorships with respect to their Business of the Year Awards ceremony:

- 2009 Business of the Year Awards Ceremony \$2,500.00
- 2010 Business of the Year Awards Ceremony \$2,725.00
- 2011 Business of the Year Awards Ceremony \$2,515.00
- 2012 Business of the Year Awards Ceremony \$3,000.00
- 2013 Business of the Year Awards Ceremony \$3,027.00
- 2014 Lakeland Business of the Year Awards Ceremony \$1,500.00 (held in Bonnyville)
- 2015 Lakeland Business of the Year Awards Ceremony Motion No. CM20151013.1024 was postponed indefinitely (held in Cold Lake). This was due to the fact that the City already provided a 50% reduction in fees for the Energy Centre Venue.
- 2016 Lakeland Business of the Year Awards Ceremony \$1,500.00 (held in Bonnyville)
- 2017 Lakeland Business of the Year Awards Ceremony \$1,500.00 (held in Cold Lake)
- 2018 Lakeland Business of the Year Awards Ceremony \$1,500.00 (held in Bonnyville)
- 2019 Lakeland Business of the Year Awards Ceremony \$1,500.00 (held in Cold Lake)

In its' 2020 budget, Council budgeted \$193,000 for sponsoring functions, goodwill, and other activities for the staff and community. The following is a breakdown of the available funding:

- Council General \$20,000
- Recreation Grants \$20,000
- Culture Grants \$20,000
- Community Capital Grants \$50,000
- Community Events Sponsorship Grants \$20,000
- Doctor Recruitment \$18,000
- Special Events Incentives \$30,000
- Gifts \$15,000

All of the above highlighted programs are going to be recommended to Council by the Council Committees.

To date, for Councils' Community Events Sponsorship Grants, without consideration of this request or any others on the April 14, 2020 agenda, no funding has formally been allocated from the 2020 Council Goodwill budget by motion of Council.

Alternatives:

Council may consider the following options:

- Approve a "supporting" sponsorship in the amount of \$1,500.00
- Not approve a "supporting" sponsorship in the amount of \$1,500.00
- Approve an alternate level of funding
- That Council postpone the request for funding to the August 25, 2020 or later regular meeting of Council.

Recommended Action:

That Council approve a "supporting" sponsorship in the amount of \$1,500.00 to the Bonnyville and District Chamber of Commerce - Lakeland Business of the Year Awards Gala 2020 being held Friday, October 16, 2020 with funds to come from Council Goodwill (1-2-11-20-229).

Budget Implications (Yes or No):

Yes

City of Cold Lake 5513 48th Ave Cold Lake, AB T9M 1A1

Dear Mayor & Council:

The Chamber of Commerce is a ot-for-profit organization that supports the business community. In supporting our business community, we also support the economic growth of our region. We would like to request your support of our efforts in bringing the business community together for a celebration of successes. We at the Chamber feel that celebrating the worthwhile accomplishments of Lakeland businesses will increase morale, self-esteem and pride within our communities, in-turn encouraging businesses to grow and expand.

We will be celebrating business successes at our 7th Annual "Lakeland Business of the Year Awards Gala" on October 16, 2020 as a kick off to Small Business Week. The Cold Lake Regional Chamber of Commerce and the Bonnyville Chamber of Commerce continue this collaboration of this prestigious event in order to better serve our region. The 2020 event will be hosted at the Bonnyville & District Centennial Centre with the 2021 gala being hosted in Cold Lake and alternating in subsequent years.

We are requesting from each of the participating municipalities support by way of a \$1500.00 "Supporting Sponsorship".

In return for your sponsorship you will receive 2 tickets to the event, your logo on any and all media utilized, small company logo featured in Gala program and on a looped video. Your sponsorship for this event demonstrates your STRONG SUPPORT for the business community.

We are truly thankful for your past support and look forward to celebrating Lakeland's business successes at next year's Business of the Year Awards Ceremony!

With Grateful Appreciation,

Megan Wakefield Committee Member, Lakeland Business of the Year Awards Bonnyville & District Chamber of Commerce

NOV 18 2019 CITY OF COLD LAKE

STAFF REPORT

Title: Bylaw No. 675-PL-20 - Business Licence Bylaw

Meeting Date: August 11, 2020

Executive Summary:

Updated Business Licence Bylaw No. 675-PL-20

Background:

The City's existing Business Licence Bylaw 196-PL-05 was originally adopted in 2005 and has not been updated or amended since that time. Administration has undertaken a review and prepared an updated Bylaw which was presented to the Corporate Priorities Committee for review and discussion at its' June 16, 2020 meeting.

Following presentation of the draft bylaw to the Corporate Priorities Committee, the draft bylaw was circulated to the Cold Lake Regional Chamber of Commerce for review. The Chamber did not identify any concerns with the draft Bylaw, only some follow-up questions regarding the professions that are exempted from obtaining a licence under Provincial legislation.

Through Administration's review process, all staff involved with the licencing process had an opportunity to review the draft and provide input. Business Licence Bylaws from other communities were also reviewed. Overall, the review determined that the bylaw was essentially sound, with a few areas requiring clarification. Given that the previous bylaw is 15 years old, it was determined that the best way to move forward would be to prepare an updated bylaw. The main revisions are outlined below:

- Clarification was added specifying that any advertisement of a business, by any means, will be considered evidence that a business is being conducted and, therefore, subject to a licence.
- All businesses will be required to provide any names that they will conduct business under. Currently, only the incorporated name is required to be provided, which makes enforcement difficult when a business operates under a different name than the actual incorporated name. As an example, a business known to the public as "John Doe Lawn Care" may actually be incorporated as "123456 Alberta Ltd." or "ABC Holdings Inc." and this would be the name on the licence. This causes an issue when Administration receives inquiries from the public asking if a particular business has a licence, as the name provided may differ from what is on the licence.

- Clarify that Business Licences are non-transferrable in the event that a business is sold to another party. A Business Licence allows a specific individual or corporate entity to conduct business; therefore, a new licence application is required when a business is sold.
- A schedule has been added to identify known professions which are exempted from obtaining a Business Licence by Provincial Legislation. Clarification was also added that any person claiming an exemption must provide proof of exemption if the profession is not included in the list.
- Penalty section has been updated and penalty amounts moved to a separate schedule.
- The fee structure has been updated to allow for reduced fees for new licence applications made part way through the calendar year (all licences expire December 31). This addresses a frequent concern from applicants, that they should pay a reduced fee if applying for a new licence part way through the year.

In 2019, the City issued a total of 678 business licences. This included 360 Commercial licences, 179 Home-Based licences, 61 Trading Area licences, and 78 Out-of-Town businesses. Based on this breakdown, the estimated licensing fees received by the City are as follows (assuming all licences issued were annual licences):

- Commercial Licences: \$27,000;
- Home-Based Licences: \$26,850;
- Trading Area Licences: \$12,200;
- Out of Town Licences: \$39,000.

Administration is recommending that Council proceed to give Bylaw No. 675-PL-20 First Reading and direct Administration to schedule a non-statutory Public Hearing.

Alternatives:

Council may consider the following alternatives:

- 1. Proceed to give Bylaw No. 675-PL-20 First Reading and direct Administration to schedule a non-statutory Public Hearing.
- 2. Defeat a motion to give Bylaw No. 675-PL-20 First Reading and direct Administration to schedule a non-statutory Public Hearing.
- 3. Accept as Information only.

Recommended Action:

Administration recommends that Council proceed to give Bylaw No. 675-PL-20 first reading and direct Administration to schedule a non-statutory Public Hearing.

Budget Implications (Yes or No): No

CITY OF COLD LAKE BYLAW 675-PL-20

A BYLAW OF THE CITY OF COLD LAKE, FOR THE PURPOSE OF PROVIDING FOR THE LICENSING AND REGULATION OF CERTAIN BUSINESSES, OCCUPATIONS, AND PROPERTIES WITHIN THE CITY OF COLD LAKE, IN THE PROVINCE OF ALBERTA.

PURSUANT to Section 8 of the *Municipal Government Act*, Revised Statutes of Alberta 2000, Chapter M-26, as amended, Council may pass bylaws for the purpose of regulating or prohibiting any development, activity, industry, business or thing in different ways, divide each of them into classes and deal with each class in different ways and provide for a system of licences, permits or approvals, and establish fees for such licences, permits or approvals.

WHEREAS Council deems it necessary to regulate the development of business and industry within the City of Cold Lake and to provide for a system of licences, permits or approvals, and establish fees for such licences, permits or approvals.

NOW THEREFORE, pursuant to the authority of the Municipal Government Act, Revised Statutes of Alberta 2000, Chapter M-26, as amended, the Council of the City of Cold Lake, duly assembled, enacts:

SECTION 1 – TITLE

1.1 This bylaw shall be cited as the "Business Licence Bylaw".

- 2.27 "Transaction Location" means the physical or conceptual location where the offer and acceptance of goods and/or services takes place.

SECTION 3 – AUTHORITY

- 3.1 The CAO, or their designate, shall have the authority to carry out the terms of this bylaw. The powers and duties under this bylaw are:
 - 3.1.1 to receive and process all applications for licences;
 - 3.1.2 to collect business licence fees pursuant to Schedule "A" of this bylaw;
 - 3.1.3 to conduct inspections of business premises where necessary;
 - 3.1.4 to refuse or grant business licences in accordance with this bylaw;
 - 3.1.5 to suspend or revoke business licences when deemed appropriate and necessary;
 - 3.1.6 to amend business licences when necessary.

SECTION 4 – NECESSITY FOR LICENCE

- 4.1 No person shall carry on a business in the City without having first obtained a licence in accordance with this bylaw, unless specifically exempted by provincial or federal legislation, or Section 8 of this bylaw.
- 4.2 Proof that the business has been advertised is sufficient to establish that a person is engaged in or operates the business, in accordance with Section 564 of the Act.
- 4.3 One transaction or offer to transact shall be deemed to be evidence that a business is being carried on.
- 4.4 A person owning and/or operating two or more businesses in separate business locations shall obtain a separate licence for each business location.
- 4.5 Where more than one business is conducted from a single business location, the City may require a separate business licence for each business if the CAO, or their designate, deems that different individuals or corporations operate the businesses or the businesses financially operate separately.

4.6 No person shall allow or permit any employee, representative or agent to carry on business on their behalf in the City until such a person has obtained a licence in accordance with this bylaw.

SECTION 5 – LICENCE APPLICATION

- 5.1 Any person who intends to carry on a business in the City shall complete, in full, the necessary application form as provided by the City and provide any necessary supporting documentation.
- 5.2 If the business to be licensed requires a provincial licence, the applicant shall provide said licence or a reasonable facsimile acceptable to the City.
- 5.3 The applicant shall provide any name(s) by which the business is known, operating, or doing business as, on the application form.
- 5.4 Any principal contractor shall provide a written list of all other contractors and/or subcontractors, trades and sub-trades that are or will be in their employ within the boundaries of the City and shall ensure all listed persons are duly licensed in accordance with this bylaw.
- 5.5 A person hosting a show such as a trade show, market, or fair is required to provide a list of all participants to the satisfaction of the City. The host shall purchase one licence which shall duly license all listed participants. The fee type shall be determined by the transaction location of the show.
- 5.6 Any person providing false or untrue information on such application form shall be guilty of an offence.

SECTION 6 – DECISION

- 6.1 All licences required under this bylaw shall be issued under the authority of the CAO, or their designate.
- 6.2 Subject to the provisions of this bylaw, upon receipt of an application for a business licence the CAO, or their designate, may grant a business licence or may refuse a business licence if in their opinion there are just and reasonable grounds for the refusal of the application.
- 6.3 If a licence is refused, the applicant may appeal the decision to Council in accordance with Section 14 of this bylaw.

SECTION 7 – CONDITIONS OF A LICENCE

- 7.1 No licence shall be granted until such time as the applicant has:
 - 7.1.1 submitted in full, the necessary fee as described in Schedule "A";
 - 7.1.2 obtained a valid Provincial or Federal Licence for the business where required by law;
 - 7.1.3 obtained a current and passing public health inspection for the business where required by law.
- 7.2 No business licence shall be granted until such time as the applicant or property owner has obtained a valid Development Permit where required by the City's Land Use Bylaw.

SECTION 8 – LICENCE RENEWAL

8.1 A licensee having held a business licence in the previous year may, at the discretion of the CAO, or their designate, renew their licence by paying the fee as described in Schedule "A".

8.2 No person shall carry on a business where a previous Business Licence issued pursuant to this bylaw has expired until such licence has been renewed.

SECTION 9 – EXEMPTIONS

- 9.1 Any exemption under this bylaw solely provides exemption from the necessity of a licence, and does not extend to the necessity for obtaining a Development Permit where required under the City's Land Use Bylaw nor from complying with any other federal, provincial, or municipal act, statute, bylaw, or regulation.
- 9.2 Notwithstanding other sections of this bylaw, the following organizations or business activities are hereby exempted from applying for and obtaining a business licence, excluding the licensing of a show. All listed herein may be required to submit information for administrative purposes, at the direction and discretion of the CAO, or their designate.
 - 9.2.1 The delivery of goods, wares, merchandise, but not including installation, construction, or any other such services, purchased outside of the corporate limits of the City provided that the contract to purchase such goods, wares, merchandise, or delivery was not made within the corporate limits of the City.
 - 9.2.2 The distributing of free information in the form of magazines, flyers, pamphlets, newspapers, business cards and similar media.
 - 9.2.3 The business or practice of a profession, trade or calling which, by the laws of the Province of Alberta, a municipality is not empowered to licence to carry on within the municipality, including without limitation those listed in Schedule "C" of this bylaw. It is the responsibility of the person claiming an exemption from the requirements of this bylaw to provide proof of such exemption to the satisfaction of the CAO, or their designate.
 - 9.2.4 Any Municipal, Provincial, or Federal Government or Government Agency;
 - 9.2.5 A charitable organization or professional fund raiser in accordance with an authorization or exemption given under the Charitable Fundraising Act.
 - 9.2.6 A nonprofit organization including without limitation bona fide religious groups.
 - 9.2.7 A babysitting service excluding those requiring a provincial licence as Child Care Facilities regulated by the *Child Care Licensing Act*, Statutes of Alberta 2007 Chapter C-10.5
 - 9.2.8 A garage or yard sale which is held for a maximum of three (3) consecutive days and up to three (3) times per calendar year at a single dwelling.
- 9.3 Charitable or nonprofit organizations must inform the City prior to commencing any fundraising activities.
- 9.4 If an exempted organization or business requests a business licence from the City, the applicant shall pay the appropriate fee, as determined by the licence type, in full.

SECTION 10 - OBLIGATIONS OF LICENSEE

- 10.1 Every licensee shall prominently display the licence and produce the licence for inspection immediately when required to do so by the CAO, or their designate, any peace officer, or any person duly authorized by the Council.
- 10.2 For businesses which are not carried on at a fixed business location, the licence shall be:
 - 10.2.1 carried on the person of the licensee; or
 - 10.2.2 carried in or on the vehicle or apparatus from which the business is conducted; and

- 10.2.3 shown to the CAO, or their designate, or members of the public upon request.
- 10.3 The licensee shall complete the necessary form for any change in the:
 - 10.3.1 description or fundamental type of business being carried on;
 - 10.3.2 business location;
 - 10.3.3 name of the business;
 - 10.3.4 contact information applicable to the business.
- 10.4 Subject to Section 10.3, the business location shall be designated on the licence so issued, and thereafter the business shall be conducted at such address and not elsewhere, unless amended in accordance with Section 10.3.
- 10.5 If any licensee fails to notify the City of any changes as described in Section 10.3, the licensee shall be guilty of an offence under this bylaw.

SECTION 11 – FEES

- 11.1 Business licence fees shall be determined in accordance with Schedule "A" of this bylaw.
- 11.2 Fees for a new business licence may be reduced on a quarterly basis, as set out in Schedule "A". Business licence renewals are not eligible for such fee reductions.
- 11.3 All business licence fees are non-refundable.
- 11.4 If any licensee requires an existing licence to be reprinted, they shall pay the associated fee in full as outlined in Schedule "A".

SECTION 12 – DURATION OF LICENCE

12.1 A licence issued hereunder shall commence on the date of issue and expire on the expiry date shown on the licence, which shall be December 31st at midnight for all licences excluding daily, weekly, and seasonal licences.

SECTION 13 - REFUSAL, SUSPENSION, AND REVOCATION

- 13.1 The CAO, or their designate, may refuse to issue or renew a licence, or may suspend or revoke a licence for the following reasons:
 - 13.1.1 The applicant or licensee does not or no longer meets the requirements of this bylaw with respect to the licence applied for or held;
 - 13.1.2 The applicant or licensee, or any of its officers or employees:
 - 13.1.2.1 furnishes false information or misrepresents any fact or circumstance to the CAO, their designate, or a peace officer;
 - 13.1.2.2 has, in the opinion of the CAO, or their designate, based on reasonable grounds, contravened this Bylaw whether or not the contravention has been prosecuted;
 - 13.1.2.3 is found to be in contravention of any federal, provincial, or municipal act, statute, bylaw, or regulation.
 - 13.1.2.4 fails to pay any fee or outstanding fine required by this Bylaw or is otherwise indebted to the City, unless satisfactory arrangements are made with the City which are approved by the CAO; or
 - 13.1.2.5 In the opinion of the CAO, or their designate, based on reasonable grounds, it is in the public interest to do so.
- 13.2 Upon suspension or revocation of a licence, the City shall notify the licensee thereof:
 - 13.2.1 by delivering a notice to them personally; or

- 13.2.2 by mailing a registered letter to the place of business or residence as shown on the licence, which shall be deemed to have been received seven (7) days after the date of mailing.
- 13.3 Immediately following receipt of notification of suspension or revocation the business shall cease carrying on until all conditions of the Council, the CAO or their designate, and this bylaw are met.

SECTION 14 – APPEAL PROCEDURE

- 14.1 Any applicant who has been refused or any person who has had their licence suspended or revoked may appeal to the Council.
- 14.2 Any such appeal shall be in writing and shall be submitted to the CAO within thirty (30) days of the date on the notification of refusal or revocation.
- 14.3 Council shall conduct a hearing within twenty-one (21) calendar days following the receipt date of the written notice of appeal.
- 14.4 At the hearing of the appeal the Council may review the written submission of the appellant, the CAO or designate and of any other person who may, at the discretion of Council, make verbal submissions.
- 14.5 After hearing the evidence submitted, the Council may confirm such refusal, suspension or revocation, or may direct that the licence be issued or cease the suspension or revocation, either conditionally or unconditionally, as deemed in the public interest. The decision of Council is final.

SECTION 15 – INSPECTIONS

- 15.1 Where a business involves the occupation of a specific building or a specific location and such business is reasonably believed to require a licence, the CAO, their designate or any other authorized person may upon giving reasonable notice inspect the building or location for any purpose under this bylaw.
- 15.2 Any person who refuses an inspection which is in accordance with Section 15.1 shall be guilty of an offence.

SECTION 16 – PENALTY

- 16.1 Any person contravening any of the provisions of this bylaw is guilty of an offence and is liable on conviction to a fine in accordance with Section 566 of the Act. In the event such person is a partnership; each or any partner may be liable to the penalty aforesaid.
- 16.2 Notwithstanding Section 16.1, where any provision of this bylaw has been deemed to be contravened, the bylaw enforcement officer may issue a voluntary payment violation ticket or tag for that contravention. The accused may avoid appearing in court to answer the said charge by submitting the voluntary payment as indicated on the violation ticket in the amount indicated within Schedule "D".
- 16.3 If the offence is for carrying on a business without a valid and subsisting licence, in addition to the penalty imposed, such person shall also be required to obtain a business licence in accordance with this bylaw and pay the appropriate licence fee.

SECTION 17 – GENERAL

17.1 Any licence issued hereunder is non-transferable. Under the circumstances of transference of a business from one person to another, a new licence application shall be required.

- 17.2 A licence issued hereunder is not a representation to the licensee that the business complies with the requirements of any bylaw or enactment.
- 17.3 It is the intention of the Council of the City of Cold Lake that each separate provision of this bylaw shall be deemed independent of all other provisions and it is further the intention of the Council that if any provision of the bylaw be declared invalid for any reason by a Court of competent jurisdiction, then all other provisions of the bylaw shall remain valid and enforceable.

SECTION 18 - ENACTMENT/REPEAL

- 18.1 This bylaw shall come into full force and effect immediately upon the date of its final passing.
- 18.2 Bylaw 196-PL-05 "Business Licence Bylaw", and its attached schedules are hereby repealed.
- 18.3 Schedules "A", "B", "C" and "D" shall form a part of this bylaw.

STAFF REPORT

Title: Encroachment Agreement Request EA 20-001

Meeting Date: August 11, 2020

Executive Summary:

Request from the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902) to enter into an encroachment agreement respecting the City's adjacent roadway to accommodate placement of a fence.

Background:

Administration has received a request from the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902) to enter into an encroachment agreement respecting the City's adjacent roadway. The applicant wishes to build a fence; however, there is a buried fibre optic line which straddles the applicant's property boundary. Within the applicant's property is a 4.0 metre-wide utility right-of-way (URW), which houses several other buried utilities.

Typically, a property owner would build a fence at their property line, thus avoiding any utilities buried within the URW; however, the fibre line straddling the property line precludes this possibility. The property owner has requested that the City consider an encroachment agreement, to allow them to construct a portion of the fence on the City boulevard adjacent to their home, as they would lose 4 metres of their yard to the URW otherwise.

Administration has circulated the encroachment request internally as well as to external franchise utility companies, and no objections to the proposed encroachment were received. In the event that an encroachment agreement is approved, the agreement would have a term of five (5) years, with an option to renew for a further five (5) year term. A copy of the draft agreement is attached for reference.

Administration recommends that Council pass a motion to enter into an encroachment agreement with the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902). In the event that Council approves entering into an encroachment agreement, the owner will be required to provide a Real Property Report detailing the exact location of the fence relative to the property boundary once the fence has been installed.

Alternatives:

Council may consider the following alternatives:

- 1) Pass a motion directing Administration to enter into an Encroachment Agreement with the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902) for a term of five years, with an option to renew for a further five years.
- Defeat a motion directing Administration to enter into an Encroachment Agreement with the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902) for a term of five years, with an option to renew for a further five years..
- 3) Accept as information only.

Recommended Action:

Administration recommends that Council pass a motion directing Administration to enter into an Encroachment Agreement with the owner of 1501 Horseshoe Bay Estates (Lot 1, Block 2, Plan 922 2902) for a term of five years, with an option to renew for a further five years.

CITY OF COLD LAKE ENCROACHMENT AGREEMENT

THIS AGREEMENT made this _____ day of _____, 2020.

BETWEEN:

CITY OF COLD LAKE

a municipal corporation in the Province of Alberta, (hereinafter referred to as the "City")

OF THE FIRST PART

- and –

STEVEN AND WENDI WILL 1501 HORSESHOE BAY ESTATES COLD LAKE, AB T9M 1G8

(hereinafter referred to as the "Grantee")

OF THE SECOND PART

WHEREAS City of Cold Lake has an interest in certain lands within City of Cold Lake, in the Province of Alberta, (the Municipal Lands);

AND WHEREAS the Grantee is the registered owner of certain lands legally described as Plan942 2902, Block 2, Lot 1, (the "Grantee's Lands");

AND WHEREAS the Grantee has requested the City grant a licence to permit an encroachment on the Municipal Lands as outlined in white on the attached Schedule "A"

AND WHEREAS City of Cold Lake has agreed to grant the Grantee a licence to encroach subject to the terms of this agreement:

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises, covenants, conditions and terms contained herein, the parties hereto agree as follows:

1. Definitions

In this Agreement

- (a) "Agreement" means this encroachment agreement and any amendments, schedules and supplements to it;
- (b) "Municipal Lands" means the interest in those lands of City of Cold Lake consisting of a portion of Road described as part of Registered Plan No. 942 2902 as shown in Schedule "A" attached hereto;
- (c) "Development" means the sole purpose for which the Grantee is entitled to encroach on the Municipal Lands with a moveable fence, more particularly described in Schedule "A" attached hereto and forming part of this Agreement;

- (d) "Encroachment" means that portion of the moveable fence that is licensed to encroach onto the Municipal Lands;
- (e) "Encroachment Area" means the portion of the Municipal Lands licensed by the City occupied by the Encroachment as more particularly dimensioned and further identified on the real property report attached to this Agreement as Schedule 'B';

2. Consideration and Right to Maintain

In consideration of the sum of **One Thousand Dollars (\$1,000.00)** paid to City of Cold Lake by the Grantee at the commencement of this Agreement and the further sum of **One Dollar(s) (\$1.00)** plus municipal taxes applicable to the Encroachment Area every year thereafter until termination (such sum having been received satisfactorily by City of Cold Lake) and subject to the terms and conditions of this Agreement, City of Cold Lake gives to the owner the right, license, and privilege to continue the Encroachment subject to terms and conditions of this Agreement.

3. Limited Purpose

The Encroachment granted hereby shall be limited solely to that portion of the moveable fence as identified in Schedule "A" and the Grantee shall not cause or permit any other development whatsoever within the permitted Encroachment Area.

4. Permits

Nothing in this Agreement in any way constitutes a development permit or a building permit in the Encroachment Area as shown in Schedule "A" hereto and the Grantee shall not cause or permit any new development whatsoever within the permitted Encroachment Area without receiving a development permit and/or building permit;

5. Municipality's Rights

City of Cold Lake shall have the full right to occupy and use the Encroachment Area in any manner whatsoever deemed appropriate by City of Cold Lake; provided, that City of Cold Lake shall not unreasonably interfere with the rights herein conferred upon the Grantee;

6. Environmental Obligations

Notwithstanding any other term or condition of this Agreement, the Grantee shall accept the granting of the Encroachment as contemplated herein on the understanding and agreement that there are no agreements, conditions, warranties or representations relating to the Encroachment Area other than as stated in this Agreement and the City does not warrant the quality, condition or sufficiency of the Encroachment Area for any use or purpose and the grant of the Encroachment is taken by the Grantee on a strictly "as is, where is" basis.

Without restricting the generality of the foregoing, the Grantee shall comply with all legislation dealing with any environmental issues related to the Encroachment Area including, but not limited to, the Environmental Protection and Enhancement Act, R.S.A. 2000 c. E-12, as amended, and regulations thereunder or any successor legislation. The responsibility of the Grantee with respect to environmental obligations will continue to be enforceable during and after the term of this

Agreement.

7. <u>Utilities and Drainage</u>

- (a) In the event that City of Cold Lake deems it necessary or appropriate to cause or allow third parties to construct or install permanent underground or above ground utility lines, pipelines facilities, transmission lines, drainage swales and sidewalks etc. (the "work"), which will cross the Encroachment Area, or to perform such other work upon the Encroachment Area as may be deemed necessary in the sole discretion of City of Cold Lake, the Grantee shall in no way interfere with or hinder the construction, installation, repair or maintenance undertaken by City of Cold Lake or any person to whom City of Cold Lake has granted such permission. The Grantee shall provide further documentation as may be deemed appropriate in the sole discretion of City of Cold Lake has granted such permission. The Grantee shall provide further documentation as may be deemed appropriate in the sole discretion of City of Cold Lake for the purposes of expediting or permitting the "work" within the Encroachment Area by City of Cold Lake or the nominee of City of Cold Lake.
- (b) In the event City of Cold Lake or members of the Public Body request and deem it necessary to perform such work within the Encroachment Area, the Grantee is responsible for the removal of the development within the Encroachment Area, at the request of City of Cold Lake.

8. Grantee's Obligations

The Grantee Shall:

- (a) Grantee's Sole Expense keep, maintain, and repair the Encroachment and the Encroachment Area in good order and condition. In the event that the Municipality or any franchise utility deem it necessary to access services within the Encroachment Area, at any time, the Grantee shall be responsible for any and all costs which may incur from work undertaken as a result of the Encroachment. If the Encroachment must be removed, the Grantee shall be responsible for the removal of the Encroachment at the Grantee's sole expense within 30 (Thirty) days of written notification or other mutually agreed to time period. If emergency access is required, the Municipality may remove the Encroachment at the Grantee's sole expense at any time.
- (b) **No increase, rebuilding or alterations in Encroachment Area** ensure that the Encroachment Area is not enlarged, added to, rebuilt, or structurally altered except as may be necessary to maintain and repair the permitted encroachment;
- (c) **Re-development** ensure that any further development built on the Grantee's Land will not encroach in, on, over or under the Municipal Lands;
- (d) Taxes promptly pay when due any additional municipal property taxes (including without limitation local improvement taxes) that are assessed and levied against the Grantee's Lands by virtue of the Encroachment. The Grantee acknowledges and agrees that the municipal assessment and tax records for the Grantee's Lands may be amended to include the Encroachment and the Encroachment Area;
- (e) **Discharges** promptly discharge any and all encumbrances registered against the Encroachment Area, including Builder's Liens which are registered as a result of any action of the Grantee, its agents, officers, employees or independent contractors. In the event the

Grantee fails to discharge any such encumbrance within fifteen (15) days of receiving notice from City of Cold Lake, City of Cold Lake may forthwith terminate this Agreement;

(f) Real Property Report - The Grantee, at their sole expense, shall obtain and provide to the City a current Real Property Report, prepared by a registered Alberta Land Surveyor (ALS) detailing the encroachments upon the Municipal Lands as of the date of signing of this Agreement.

9. Landscaping

The Grantee shall not install or erect any trees, landscaping other than grass, buildings, improvements or structures on the Encroachment Area, other than the Encroachment permitted herein without the express written consent of the City of Cold Lake which consent may be arbitrarily withheld. If the City of Cold Lake permits the Grantee to install or erect any trees, landscaping, buildings, improvements or structures, the same are to be constructed in a workmanlike manner so as to minimize damage to the Encroachment Area, and the Grantee shall, after any such work, restore the Encroachment Area to a level and condition equivalent to that which existed prior to the commencement of any such construction and the existing grading running the length of the Municipal Lands shall not be altered or obstructed by any such construction;

10. <u>Termination</u>

This agreement shall be in force and effect for a period of five (5) years from the date of signing but may be terminated by the City as follows:

- (a) The City of Cold Lake gives to the owner the right, license, and privilege to continue the Encroachment until such time as the Municipality determines that the affected area of the Municipal Lands are required for public use and shall give to the Grantee not less than Thirty (30) days written notice of such termination, which notice shall terminate this Agreement at the expiration of notice period given, or
- (b) If the Grantee defaults in the performance of any covenant, condition or term of this agreement and such default is not remedied within (10) days notice of such default, this Agreement shall thereupon terminate without further notice, or
- (c) If the Grantee sells the property, or any part of the property, the Agreement shall be terminated.

11. Grantee's Obligations on Termination

Upon termination of this Encroachment, the Grantee shall remove all property belonging to the Grantee from the Encroachment Area and restore the Encroachment Area to a level and condition equivalent to that which existed prior to the commencement of the Encroachment and to the City of Cold Lake Municipal Engineering Standards.

If the Grantee fails or neglects to restore the Encroachment Area or fails to remove any and all property of the Grantee from the Encroachment Area within thirty (30) days of the termination of the Encroachment, City of Cold Lake shall have the right, but not the obligation, to take such action as is reasonably necessary in the sole discretion of City of Cold Lake to remove all property

of the Grantee from the Encroachment Area, and to restore the Encroachment Area to the level and condition equivalent to that which existed prior to the commencement of this Encroachment.

City of Cold Lake shall not be responsible for any loss or damage, however caused, to any property of the Grantee hereby removed from the Encroachment Area, and the Grantee further agrees to compensate City of Cold Lake, its servants, contractors or agents pursuant to this clause. Any cost incurred by City of Cold Lake pursuant to this clause shall be a charge and encumbrance against the Grantee's Lands and the Grantee hereby charges the Grantee's Lands for such costs;

12. Quiet Possession

The Grantee by performing and observing the covenants and conditions contained herein, shall be entitled to peaceably exercise the rights herein granted to the Grantee without any unreasonable hindrance, molestation or interruption from City of Cold Lake, subject always to the terms of the Agreement;

13. Owner's Possession

If the Grantee fails or neglects within thirty (30) days of the receipt of notice from City of Cold Lake or a mutually agreed to time period to comply with the requirements of this Agreement, without notice in the case of an emergency or in the event that the City deems it necessary and in the public interest terminate this agreement and have the encroachment removed prior to the expiration date of this agreement specified in Clause 10, the City of Cold Lake may (but is not required to);

- (a) perform or cause to be performed the requirements of this Agreement on behalf of and at the Grantee's cost and expense. The Grantee will reimburse the City of Cold Lake for all costs, charges, and expenses incurred by the City of Cold Lake on behalf of the Grantee within (10) days of receipt by the Grantee of an invoice for them;
- (b) demolish and remove the Encroachment on behalf of and at the Grantee's cost, charges and expenses and terminate the Grantee's rights under this Agreement. The Grantee will reimburse City of Cold Lake for all costs, charges and expenses incurred by City of Cold Lake for undertaking such work within ten (10) days of receipt of an invoice from City of Cold Lake for such costs;
- (c) pursue any right or remedy which City of Cold Lake may be entitled to under this Agreement, or in law or equity;

14. Compliance with Law

The Grantee shall at all times and in all respects abide by all laws, bylaws, legislative and regulatory requirements of any governmental or other competent authority relating to the use and occupation of the Encroachment Area by the Encroachment;

15. Notice of Accidents

The Grantee shall provide City of Cold Lake prompt written notice of any accident, damage or injury occurring on the Encroachment Area however caused;

16. Insurance

The Grantee shall carry comprehensive liability insurance with insurable limits of no less than TWO MILLION (\$2,000,000.00) DOLLARS for each occurrence or incident and this insurance shall name City of Cold Lake as an insured party and the Grantee shall provide proof of such insurance to the satisfaction of City of Cold Lake upon demand.

The Grantee shall also waive its rights of subrogation against City of Cold Lake. City of Cold Lake reserves the right from time to time to require the Grantee to increase its comprehensive liability insurance coverage where such coverage would be considered necessary by a prudent owner of similar improvements in the Province of Alberta;

18. Indemnity

Save and except for the negligent act or willful misconduct of City of Cold Lake, the Grantee shall indemnify City of Cold Lake and save it harmless from and against all claims, actions, damages, liabilities and expenses in connection with losses of life, personal injury, damage to property, or any other damage, loss or injury which are based upon, or arise out of or are in any way connected with the Encroachment or the Encroachment Area and the exercise of the rights and privileges contained in this Agreement, including but not limited to the following:

- (a) loss or damage suffered or incurred by the Grantee or those for whom the Grantee is in law responsible;
- (b) loss or damage suffered or incurred by City of Cold Lake or those for whom City of Cold Lake is in law responsible (including without limitation any additional costs and expenses incurred by City of Cold Lake in carrying out work on the Municipal Lands by reason of the Encroachment);
- (c) damage or expense sustained by the Grantee and related to the removal of the Encroachment;
- (d) any claim for loss or damage made, brought or prosecuted by anyone else;

17. Grantee's Risk

All property of the Grantee which may hereafter be located on, under, or over or adjacent to the Encroachment Area shall be at the sole risk of the Grantee and City of Cold Lake shall not be liable for any loss or damage thereto howsoever caused and the Grantee hereby releases City of Cold Lake from all actions, claims, demands, suits or proceedings whatsoever in respect of any such loss or damage, except and to the extent such loss or damage is caused by the negligence of City of Cold Lake or its servants or agents;

18. Compensation for Damages

The Grantee shall compensate City of Cold Lake for all damage to the property of the City of Cold Lake arising out of the activities of the Grantee on or adjacent to the Encroachment, whether or not such activities are in pursuance of the rights herein granted to the Grantee;

Plan 942 2902, Block 2, Lot 1 Page 6

19. Owner's Obligations After Termination

Any obligation of the Grantee to protect City of Cold Lake shall survive the termination of this Agreement;

20. Successors

The Agreement shall be binding upon and enure to the benefit of City of Cold Lake and its successors, licensees and permitted assigns, and the Grantee and its successors and assigns;

21. Renewal

Upon ninety (90) days written notice from the Grantee given before the expiry of the term herein provided, the Encroachment Agreement may be renewed upon a grant by Council for a further term of five (5) years on the same terms and conditions excepting the annual sum of \$1.00. The annual sum to be paid in consideration of the renewed Encroachment Agreement shall be in accordance with the fees set out in the City's User Fee Bylaw at the time of the renewal, failing which the renewal shall not commence.

22. Charge

City of Cold Lake shall have a charge upon the Grantee's Lands and the Grantee hereby charges the Grantee's Land for any sum that may at any time be payable to the City of Cold Lake pursuant to this Agreement and City of Cold Lake shall be entitled to file a Caveat against the title to the Grantee's Land to protect such interest under this Agreement;

23. Registration

At the Sole cost of the Grantee, the Grantee is required to register this Encroachment Agreement by Caveat with the Northern Alberta Land Titles Office.

24. <u>Notice</u>

All notices under this Agreement shall be in writing and sent by registered or certified mail as follows:

STAFF REPORT

Title: Criminal Code Amendments - Federation of Canadian Municipalities (FCM) Resolution

Meeting Date: August 11, 2020

Executive Summary:

At Council's June 23, 2020 regular meeting, Council passed a motion (Motion No. CRM20200623.1017) to lobby the federal government to revoke amendments to the criminal code on May 1, 2020 under an "Order in Council" titled and referred to as "Regulations Amending the Regulations Prescribing Certain Firearms and Other Weapons, Components and Parts of Weapons, Accessories, Cartridge Magazines, Ammunition and Projectiles as Prohibited, Restricted or Non-Restricted:SOR.2020-96."

The motion included direction for administration to send the resolution to all municipalities in Alberta, Saskatchewan and Manitoba for their consideration, as well as to a number of federal and provincial officials, including the Right Honourable Prime Minister, Justin Trudeau, the Honourable Minister of Public Safety and Emergency Preparedness, Bill Blair and the AUMA President Dan Rude.

At the time this report was written, the resolution has received positive support from a total of at least 12 municipalities. Provincial and Federal elected officials have yet to respond.

It should be noted that in a number of instances, a council's support for the motion has been indicated through informal dialogue, but no official communication of a supporting motion has been received by City of Cold Lake as of yet.

Given that the issue stems from a Federal Order in Council, the AUMA queried whether the City of Cold Lake would be forwarding the issue to the Federation of Canadian Municipalities for consideration as a resolution at either its 2021 Annual Conference or its March Board Meeting. The deadline for submission of potential resolutions at both forums is January 9, 2021.

Background:

Section 2.1 of the FCM's Guidelines for Drafting Resolutions states that: "Resolutions should focus on issues that are the direct responsibility or concern of Canadian municipalities and fall within the jurisdiction of the federal government, and/or provincial and territorial governments acting at the inter-provincial/territorial level."

Also of note is Section 2.3, which states that: "Members submitting resolutions regarding Community Safety and Crime Prevention matters are advised to focus on the "principle" of the issue being addressed and avoid attempts to reword the Criminal Code."

Resolutions adopted by the FCM are placed into categories from "A" to "E," depending on whether or not the resolution is regarding a matter that is the direct responsibility or concern of Canadian Municipalities beyond a regional level and fall within the jurisdiction of the federal government, whether or not they are endorsed by FCM, whether or not the issue has been dealt with by FCM in the past 3 years and whether or not the resolution is in accordance with existing FCM policy. The category the resolution is placed is will determine if any action is taken, or the resolution is presented to the FCM Board as information.

FCM's guidelines for resolutions can be found in their entirety at the following address:

<u>https://data.fcm.ca/Documents/corporate-</u> resources/resolutions/Procedures_for_Resolutions_EN.pdf

The following Municipalities are confirmed to have passed motions in support of the City of Cold Lake's resolution. It should be noted that the support varies from a motion in support of the same resolution, to a motion in support of a similar resolution drafted by the municipality. While some municipalities have sent letters to federal and provincial elected officials, others have not.

The Regional Municipality of Wood Buffalo, AB Summer Village of Bonnyville Beach, AB The County of Minburn, AB Lac Ste. Anne County, AB Cardston County, AB Village of Coleville, SK Town of Midale, SK Village of Punnichy, SK Rural Municipality of Saskatchewan Landing, SK Municipality of Pipestone, MB Gilbert Plains Municipality, MB Rural Municipality of Stuartburn, MB

Further to the above, the City of Cold Lake has received many words of support via social media from sources all across Canada.

Alternatives:

- Council may pass a motion to request that the Federation of Canadian Municipalities consider the Cold Lake resolution as adopted in Motion No. CRM20200623.1017.
- Council may decline to send the resolution to the Federation of Canadian Municipalities.

Recommended Action:

Administration recommends that Council pass a motion to request that the Federation of Canadian Municipalities (FCM) consider the Cold Lake resolution as adopted in Motion No. CRM20200623.1017, and that administration work with FCM staff to adapt the resolution to FCM's resolution templates.

Budget Implications (Yes or No):

No

Notice of Motion - Criminal Code Amendment

Resolution # CRM20200623.1017

Moved by Councillor Soroka

That Council lobby the federal government to revoke the amendments to the criminal code on May 1, 2020 under an "Order in Council" titled and referred to as "Regulations Amending the Regulations Prescribing Certain Firearms and Other Weapons, Components and Parts of Weapons, Accessories, Cartridge Magazines, Ammunition and Projectiles as Prohibited, Restricted or Non-Restricted: SOR/2020-96.

The City of Cold Lake supports initiatives to end violence; however, feels very strongly that the Government of Canada is wasting valuable resources and taking the wrong approach to gun control that will have zero effect on gun crime.

WHEREAS on May 1, 2020, the federal government amended the Criminal Code by ordering regulations prescribing certain firearms, components and parts of firearms, accessories, cartridge magazines, ammunition and projectiles as prohibited or restricted;

AND WHEREAS the Government of Canada is planning a buyback program to get the guns out of circulation, which is expected to cost between \$400 million and \$600 million, and if the history of federal estimating repeats itself, will likely be in excess of \$1 Billion;

AND WHEREAS the City of Cold Lake supports the Government of Canada's commitment to end violence, whether firearms are involved or not, by taking the opportunity to be more engaged and to collaborate with the public and local stakeholders to develop more effective solutions on the issue;

NOW THERE BE RESOLVED that the Council of the City of Cold Lake urges the Government of Canada to revoke the amendment, and instead institute the following:

Target crime, and focus on enforcement through enhanced enforcement capacity for law enforcement and border services, as well as harsher punishments for firearms trafficking and crimes involving firearms. The current ban targets law-abiding owners, rather than the holders of illicit firearms, and would not greatly impact crime reduction;

Collect and share relevant data on crime involving firearms through improved collection and sharing of data on crimes involving firearms, particularly in terms of sources of illicit firearms, and the types of crime being committed. This data is critical for supporting law enforcement and border agencies efforts, as well as informing policy and legislation; Collaborate with the firearms community and industry to support communication, training and public education regarding firearms to create a multi-faceted approach rather than implementing a ban in isolation;

And that a copy of this resolution be sent to the Right Honourable Justin Trudeau Prime Minister of Canada; the Honourable David Lametti, Attorney General; the Honourable Bill Blair, Minister of Public Safety and Emergency Preparedness; the Honourable Andrew Scheer, Leader of the Official Opposition; David Yurdiga, MP Fort McMurray -Cold Lake; the Honourable Jason Kenny, Premier of Alberta; the Honourable Doug Schweitzer, Solicitor General; Federation of Canadian Municipalities (FCM); Alberta Urban Municipalities Association (AUMA); Rural Municipalities Association of Alberta (RMA); and all municipalities within the provinces of Alberta, Saskatchewan and Manitoba.

Attention: Honourable Bill Blair

Dear Minister Blair:

Re: Criminal Code Amendment

At the City of Cold Lake's regular Council meeting of June 23, 2020, City Council debated and passed a motion regarding concerns relating to the criminal code amendments approved under an "Order in Council" on May 1, 2020. The City of Cold Lake is calling upon all municipalities in Alberta, Saskatchewan, and Manitoba to voice their concerns along with their respective provincial governments.

The following resolution has been passed:

"that Council lobby the federal government to revoke the amendments to the criminal code on May 1, 2020 under an "Order in Council" titled and referred to as "Regulations Amending the Regulations Prescribing Certain Firearms and Other Weapons, Components and Parts of Weapons, Accessories, Cartridge Magazines, Ammunition and Projectiles as Prohibited, Restricted or Non-Restricted: SOR/2020-96."

The City of Cold Lake supports initiatives to end violence; however, feels very strongly that the Government of Canada is wasting valuable resources and taking the wrong approach to gun control that will have zero effect on gun crime.

OFFICE OF THE MAYOR

WHEREAS on May 1, 2020, the federal government amended the Criminal Code by ordering regulations prescribing certain firearms, components and parts of firearms, accessories, cartridge magazines, ammunition and projectiles as prohibited or restricted;

AND WHEREAS the Government of Canada is planning a buyback program to get the guns out of circulation, which is expected to cost between \$400 million and \$600 million, and if the history of federal estimating repeats itself, will likely be in excess of \$1 Billion;

AND WHEREAS the City of Cold Lake supports the Government of Canada's commitment to end violence, whether firearms are involved or not, by taking the opportunity to be more engaged and to collaborate with the public and local stakeholders to develop more effective solutions on the issue;

NOW THERE BE RESOLVED that the Council of the City of Cold Lake urges the Government of Canada to revoke the amendment, and instead institute the following:

Target crime, and focus on enforcement through enhanced enforcement capacity for law enforcement and border services, as well as harsher punishments for firearms trafficking and crimes involving firearms. The current ban targets law-abiding owners, rather than the holders of illicit firearms, and would not greatly impact crime reduction;

Collect and share relevant data on crime involving firearms through improved collection and sharing of data on crimes involving firearms, particularly in terms of sources of illicit firearms, and the types of crime being committed. Collaborate with the firearms community and industry to support communication, training and public education regarding firearms to create a multi-faceted approach rather than implementing a ban in isolation.

OFFICE OF THE MAYOR

-3-

The City feels that the federal government's gun ban will be an expensive exercise that will only serve to take law abiding people's property, while doing nothing to reduce crime. Municipalities are the level of government closest to the people, and a large part of our budget and operations is focused on providing safe and healthy communities. We see forecasts of hundreds of millions of federal dollars to be spent to buy guns back from people. As these are people who went through the necessary education, background checks, and licensing to purchase them, it seems to be a poorly thought out plan, especially if its aim is to reduce crime.

Respectfully,

Craig Copeland, Mayor

Title: Memorandum of Understanding - Chamber of Commerce Home and Leisure Trade Show

Meeting Date: August 11, 2020

Executive Summary:

Since 2015 the City of Cold Lake and the Chamber of Commerce have partnered under a Memorandum of Understanding to host the Home and Leisure Trade Show, scheduled annually for mid-April.

With the completion of Energy Centre Phase III, the three-day trade show has expanded the exhibitor's area to include the corridors at the Energy Centre.

Reimagining the Trade Show post-pandemic event will present challenges along with new concepts for future trade shows.

The purpose of this report is to present and engage Council respecting a new three (3) year memorandum of understanding with the Chamber.

Background:

Since 2015 the Home and Leisure Trade Show MOU has served both the City of Cold Lake and the Cold Lake Chamber of Commerce well, with neither party expressing any serious concerns over the terms of the MOU or the execution in running the event.

Revenue received from the Chamber in the past are:

- 2019 1,563.68 (including GST)
- 2018 Omitted
- 2017 3,329.85 (including GST)

City costs associated to support the three (3) day event is in the magnitude of \$6,500. Included in the City's support of the annual event are rental of the Reid Field House (4 days) and Fitness Room 3 (2 days). Bouncy House, gray flooring, setup and teardown along with support staffing.

Alternatives:

Council may consider the following options:

- Direct the City to enter into an agreement with the Cold Lake Chamber of Commerce Memorandum of Understand - Home and Leisure Trade Show as presented.
- 2. Direct the City to enter into an agreement with the Cold Lake Chamber of Commerce Memorandum of Understand Home and Leisure Trade Show as amended.
- 3. Accept this report titled Memorandum of Understanding Chamber of Commerce Home and Leisure Trade Show presented as information.

Recommended Action:

That Council direct the City to enter into an agreement with the Cold Lake Chamber of Commerce Memorandum of Understanding - Home and Leisure Trade Show as presented.

Budget Implications (Yes or No):

Yes

- 2.3 The City shall retain control of the Premises provided that the City will not unreasonably interfere with the Chamber's rights under this agreement.
- 2.4 The Chamber acknowledges that the City may embark on a multi-year construction, renovation and/or expansion project at the Premises which may impact operations of the tradeshow during the course of this agreement. The Chamber and the City will make a determination whether such an impact warrants cancellation or modification of this agreement.
- 2.5 The City agrees that no similar tradeshow event will be held for 14 days prior to the beginning of or 14 days following the last day of the Home and Leisure Tradeshow.

3. Rental Fee:

- 3.1 The City is providing the Chamber with use of the aforementioned spaces and resources at no rental fee.
- 3.2 The Chamber shall provide the City ten percent (10%) of the net revenue that is raised from the event, and activities directly attributed to the event, and shall include a detailed financial statement no later than 90 days following the event completion.

4. City Responsibilities:

- 4.1 The City shall provide the Chamber access to, and use of, the Premises during the times indicated in this Agreement.
- 4.2 The City shall ensure the Premises are ready for use including maintaining and cleaning the Premises to the standards set by the City.
- 4.3 The City agrees to arrange for:
 - 4.3.1 the flooring to be laid in the IOPA and the Reid Fieldhouse by no later than 10:00 AM on the Thursday morning of the event;
 - 4.3.2 the stage set up in the Fieldhouse as mutually agreed upon at a planning meeting;
 - 4.3.3 Premises lighting and unlock the doors at the agreed upon times stated in Section 2.1;
 - 4.3.4 on site janitorial staff available during the event to maintain the cleanliness of the Premises including but not limited to gathering the garbages from the exhibitor booths, vacuuming carpets and clean washrooms as necessary.

- 6.2 Notice given as established will be deemed to have been received by the party on the day of delivery or upon the seventh (7th) day after the day of mailing. Any party may change its address for service from time to time upon written notice to parties herein.
- 7. Non-Waiver: Failure of the parties to insist upon or to enforce strict performance of any of the terms of this Agreement shall not be construed as a waiver of their rights to assert or rely upon such terms subsequently.
- 8. Assignment: The Chamber may not assign this agreement without written consent of the City.
- 9. Force Majeure: Neither party shall be considered in breach of this Agreement because of delays or failure to fulfill the terms of this Agreement due to events of force majeure beyond the control of the parties, which include but are not limited to: natural disasters, weather conditions, government action or inaction, fire, flood, epidemic, pandemic, loss, quarantine restriction, or labor strikes.

10. Default & Termination:

- 10.1 If the City is of the opinion that the Chamber has undertaken or permitted any activity within the Premises which is outside of what is permitted by this Agreement, or may be viewed as a nuisance or to cause damage, is in default of any of the terms or conditions of this Agreement, the City may terminate this Agreement verbally or in writing and the Chamber must immediately vacate the Premises.
- 10.2 If the Chamber fails to perform any of its obligations under this Agreement, the City has the right to take such action as is reasonably necessary in the sole discretion of the City to perform such obligations. In such an event, the Chamber will be responsible for the payment of all costs incurred by the City pursuant to this Agreement.
- 10.3 This agreement may be terminated by either party due to breach of the terms of this agreement or with 180 days written notice by either party without cause.

11. Release of Liability and Indemnity

- 11.1 The Chamber waives and releases the City from any liability for damage or loss to any persons or property which occurs in connection with the Premises, the building, and its grounds.
- 11.2 The Chamber will indemnity and save harmless the City, its employees and agents from and against all claims, demands, losses, damages, costs and expenses made against or incurred, suffered or sustained by the City at any time by any of the Chamber's servants, employee, officer, director, exhibitor, registrant or sub-contractor, the same or any of them arising out of or from anything done or omitted to be done by such, pursuant to this

agreement excepting always liability arising out of the independent acts of the City of Cold Lake.

- 11.3 The Chamber acknowledges that those involved in the execution of the event, including staff, volunteers, exhibitors and contractors are considered independent entities and are, therefore, responsible for coverage of Worker's Compensation. The Chamber must also ensure that these parties have proof of insurance coverage as the City is not responsible for any compensation due to their employees/workers.
- 12. Entire Agreement: This Agreement contains the entire agreement and understanding between the parties and supercedes all prior representations and discussions pertaining to all matters directly or indirectly covered in this Agreement. There are no conditions, warranties, representations, understandings or agreements of any nature other than as set out in this Agreement. By executing this Agreement, the parties acknowledge that they have taken as much time and independent advice as thought necessary to consider matters before entering into this Agreement. This Agreement may only be amended by a subsequent written instrument signed by both parties.
- **13.** Acknowledgement and Acceptance of Terms: Each of the parties agree that it fully understands the terms of this Agreement and accepts the provisions of this Agreement voluntarily, acting wholly upon its own judgement, belief and knowledge and that it has not been influenced in entering into this Agreement by any act, statement or representation of any party to this Agreement.

IN WITNESS WHEREOF the parties herein under proper authorization, hereby duly execute this Agreement this ______ day of ______, 2020.

STAFF REPORT

Title: Funding Agreements - Municipal Policing Assistance Grant (MPAG) and Police Officer Grant (POG) Programs

Meeting Date: August 11, 2020

Executive Summary:

Administration is in receipt of Provincial grant programs respecting the Municipal Policing Assistance Grant Funding Agreement 2020-21 (MPAG) and Police Officer Grant Funding Agreement 2020-21 (POG) as a means of assisting municipalities to meet the cost of policing and policing oversight.

Background:

The existing 2018-20 funding agreements expired March 31, 2020. The two (2) year grant agreements, both MPAG and POG, commence April 1, 2020 and expire March 31, 2021. The funding formula and grant terms remain the same as in prior agreements with fifty (50%) per cent of the funds being disbursed shortly after the execution of the agreements with the reminder to be received by the City before December 31, 2020.

The City receives approximately \$520,000 from the funding agreements. Provincial funding formula remains unchanged whereby cities with a population from 5,001 to 16,666 receive up to a \$200,000 base payment plus up to an additional \$8 per capita.

Of interest to this conversation is that the City received the agreements from the Province on or after July 28, 2020 with the expectation of the Province receiving the executed agreements by July 31, 2020.

Alternatives:

Council may consider the following options:

- 1. Direct the City to enter into the Municipal Policing Assistance Grant Funding Agreement 2020-21 and Police Officer Grant Funding Agreement 2020-21.
- 2. Accept this report titled Funding Agreement Municipal Policing Assistance Grant (MPAG) and Police Officer (POG) Grant presented as information.

Recommended Action:

That Council authorize the City of Cold Lake to enter into Funding Agreements with Her Majesty The Queen in Right of Alberta, as presented by the Minister of Justice and Solicitor General, respecting Municipal Policing Assistance Grant (MPAG) Funding for 2020-2021 and Police Officer Grant (POG) Funding for 2020-2021.

Budget Implications (Yes or No): Yes

MUNICIPAL POLICING ASSISTANCE GRANT FUNDING AGREEMENT 2020-21

made effective April 1, 2020

BETWEEN:

HER MAJESTY THE QUEEN IN RIGHT OF ALBERTA AS REPRESENTED BY THE MINISTER OF JUSTICE AND SOLICITOR GENERAL

(the "Minister")

AND:

City of Cold Lake (the "Recipient")

Background

The Minister is authorized, pursuant to the *Justice and Solicitor General Grants Regulation* (the "Grants Regulation"), as amended from time to time, to make grants to a person or organization for any purpose related to any program, service or other matter under the administration of the Minister and to enter into agreements with respect to any matter relating to the payment of a grant.

The Minister is prepared to provide funding to the Recipient under the Municipal Policing Assistance Grant ("MPAG") Program. The objective of the MPAG Program is to assist municipalities responsible for their own policing services under the *Police Act*.

Therefore, in consideration of the terms and conditions set out in this Agreement, the Minister and the Recipient agree as follows:

GRANT

- 1. Grant Term
 - 1.1. The term of this Agreement will be for a period of one (1) year commencing April 1, 2020 and ending March 31, 2021 (the "Term") unless terminated earlier in accordance with this Agreement.
- 2. Grant Amount
 - 2.1. Subject to the terms and conditions of this Agreement, the Minister will pay to the Recipient an amount of up to \$319,688 (the "Grant") for the purpose set out in this Agreement and calculated as follows:
 - a) towns and cities with a population from 5,001 to 16,666 receive up to a \$200,000 base payment plus up to an additional \$8 per capita;
 - b) cities and urban service areas with a population from 16,667 to 50,000 receive up to a \$100,000 base payment plus up to \$14 per capita; and

- c) cities and urban service areas with a population over 50,000 receive grants of up to \$16 per capita.
- 3. Timing of Grant
 - 3.1. The Grant will be paid as follows:
 - a) At 50 percent of the maximum Grant within a reasonable time following the signing of the Agreement; and
 - b) The remainder of the Grant on or before December 31, 2020.

USE OF GRANT AND REPAYMENT

- 4. Grant Use
 - 4.1. The Recipient will apply the Grant including any accrued interest solely and entirely for the following purposes:
 - a) to ensure it has adequate and effective policing *and* policing oversight;
 - b) to assist in implementation of provincial policing initiatives; and
 - c) to enhance policing services to its citizens

(collectively, the "Approved Purpose").

- 4.2. The Recipient will use the Grant for no other purpose without the prior written consent of the Minister.
- 5. Grant Use Repayment
 - 5.1. If the Recipient does not comply with any conditions of the Grant as set out in this Agreement, or if any of the information provided by the Recipient to obtain the Grant is determined by the Minister to be false, misleading or materially inaccurate, then without limiting in any way any right available to the Minister under any applicable law, the Minister may require the Recipient to repay all or part of the Grant within a time period as determined by the Minister.
 - 5.2. The Recipient agrees that any amount of the Grant:
 - a) which remains unspent at expiry of this Agreement on March 31, 2021 must be returned by the Recipient to the Minister by June 30, 2021; and
 - b) not spent in accordance with this Agreement during the Term must be returned by the Recipient to the Minister by June 30, 2021.
- 6. The Recipient acknowledges that the requirements of sections 5 and 6 will survive this Agreement.

GRANT REGULATION

7. The Recipient acknowledges that the *Grants Regulation* governs the making of this Grant, and the Recipient will comply as required, with all of the provisions of that Grants Regulation.

ACCOUNTING RECORDS

8. The Recipient acknowledges that the Minister may require that the Recipient permit a representative of the Minister or the Auditor General, or both, to examine any books or records that the Minister or Auditor General considers necessary to determine whether the Grant or any portion of it was or is being used properly and adequate records are maintained. The Recipient will preserve all such financial records, books, documents and accounts relating to this Agreement for a period of at least 7 years after termination or expiry of this Agreement.

REPORTING

- 9. The Recipient will provide a report on or before April 30, 2021 for the period from April 1, 2020 to March 31, 2021 that will describe how the Grant was spent in accordance with the Approved Purpose, including its use related to both policing and policing oversight.
- 10. The report will be in the format prescribed by the Minister. The report will be submitted to the attention of:

Manager, Grant and Contracts Accountability Financial Compliance Corporate Services Division Justice and Solicitor General 5th Floor North, 9833 - 109 Street Edmonton AB T5K 2E8

HOLD HARMLESS

11. The Recipient agrees to indemnify and hold harmless the Minister from any and all third party claims, demands, actions or costs (including legal costs on a solicitor-client basis) for which the Recipient is legally responsible, including those arising out of negligence or willful acts by the Recipient or the Recipient's employees or agents. This hold harmless clause will survive this Agreement.

TERMINATION AND REPAYMENT OF GRANT

12. Termination

12.1. This Agreement may be terminated:

a) by the Minister immediately on written notice if, on the expiry of 30 days after written notice has been received by the Recipient of its breach of any obligation under this Agreement, the Recipient has not rectified the breach, in which case termination will occur upon receipt or deemed receipt by the Recipient of the notice.

- 13. Repayment if Terminated
 - 13.1. If this Agreement is terminated, without limiting in any way the Minister's rights or obligations under any applicable law, the Recipient will repay all or part of the Grant to the Minister within 30 days of termination.

WAIVER

14. A waiver of any breach of a provision by the Minister will not be binding on the Recipient unless the waiver is in writing and the waiver will not affect the Minister's rights with respect to any other or future breach by the Recipient.

ASSIGNMENT

15. This Agreement may not be assigned by the Recipient without the written consent of the Minister.

NO EMPLOYMENT RELATIONSHIP

- 16. This Agreement is not intended to and does not:
 - a) constitute either party as the agent of the other for any purpose, or otherwise create any relationship of agency;
 - b) constitute or create any joint venture; or
 - c) constitute or create any partnership,

and neither party will allege or assert for any purpose that this Agreement constitutes or creates a relationship of agency, joint venture or partnership.

CHOICE OF LAW AND JURISDICTION

17. This Agreement will be governed and interpreted in accordance with the laws in force in the Province of Alberta and the parties hereby irrevocably attorn to the jurisdiction of the courts of that province.

AMENDMENT

18. This Agreement may not be modified or amended except by mutual consent of the parties, in writing.

TIME OF THE ESSENCE

19. Time will be of the essence in all respects of this Agreement.

NOTICES

POLICE OFFICER GRANT FUNDING AGREEMENT 2020-21

made effective April 1, 2020

BETWEEN:

HER MAJESTY THE QUEEN IN RIGHT OF ALBERTA AS REPRESENTED BY THE MINISTER OF JUSTICE AND SOLICITOR GENERAL (the "Minister")

AND:

City of Cold Lake (the "Recipient")

Background

The Minister is authorized, pursuant to the *Justice and Solicitor General Grants Regulation* (the "Grants Regulation"), as amended from time to time, to make grants to a person or organization for any purpose related to any program, service or other matter under the administration of the Minister and to enter into agreements with respect to any matter relating to the payment of a grant.

The Minister is prepared to provide funding to the Recipient under the Police Officer Grant Program (the "POG Program"). The objective of the POG Program is to financially support 300 police officers throughout the province, which officers wereinitially hired over the three year period of April 1, 2008 to March 31, 2011. The POG Program provides grant funding in the amount of \$100,000 per police officer, per year to those municipalities eligible during the implementation of the POG Program.

Therefore, in consideration of the terms and conditions set out in this Agreement, the Minister and the Recipient agree as follows:

GRANT

- 1. Grant Term
 - 1.1. The term of this Agreement will be for a period of one (1) year commencing April 1, 2020 and ending March 31, 2021 (the "Term") unless terminated earlier in accordance with this Agreement.
- 2. Grant Amount
 - 2.1. Subject to the terms and conditions of this Agreement, the Minister will pay to the Recipient an amount of up to \$200,000 (the "Grant") for the purposes of employing two police officers with the Cold Lake Royal Canadian Mounted Police (RCMP) Municipal Police Service.

- 3. Payment of Grant
 - 3.1. The Minister will pay the Recipient:
 - a) 50 percent of the Grant amount within a reasonable time following the signing of the Agreement; and
 - b) the remaining 50 percent of the Grant amount on or before December 31, 2020.

USE OF GRANT AND REPAYMENT

- 4. Grant Use
 - 4.1. The Recipient will apply the Grant including any accrued interest solely and entirely to offset the costs of employment of the two police officers (the "Approved Purpose").
 - 4.2. The Recipient will use the Grant for no other purpose without the prior written consent of the Minister.
- 5. Grant Use Repayment
 - 5.1. If the Recipient does not comply with any conditions of the Grant as set out in this Agreement, then without limiting in any way any right available to the Minister under any applicable law, the Minister may require the Recipient to repay all or part of the Grant within a time period as determined by the Minister.
 - 5.2. The Recipient agrees that any amount of the Grant that remains unspent at the expiry of this Agreement on March 31, 2021 must, unless otherwise directed by the Minister, be returned by the Recipient to the Minister by June 30, 2021.
- 6. The Recipient acknowledges that the requirements of sections 4 and 5 will survive this Agreement.

GRANT REGULATION

7. The Recipient acknowledges that the Grants Regulation governs the making of this Grant, and the Recipient will comply, as required, with all of the provisions of that Grants Regulation.

ACCOUNTING RECORDS

8. The Recipient acknowledges that the Minister may require that the Recipient permit a representative of the Minister or the Auditor General, or both, to examine any books or records that the Minister or Auditor General considers necessary to determine whether the Grant or any portion of it was or is being used properly and adequate records are maintained. The Recipient will preserve all such financial records, books, documents and accounts relating to this Agreement for a period of at least seven years after termination or expiry of this Agreement.

REPORTING

- 9. The Recipient will provide a report on or before April 30, 2021 for the period of April 1, 2020 to March 31, 2021 to the Minister, that will describe how the Grant was spent in accordance with the Approved Purpose and will include any other information required by the Minister relating to the expenditure of the Grant.
- 10. The report will be in the format prescribed by the Minister. The report will be submitted to the attention of:

Manager, Grant and Contracts Accountability Financial Compliance Corporate Services Division Justice and Solicitor General 5th Floor North, 9833 - 109 Street Edmonton AB T5K 2E8

HOLD HARMLESS

11. The Recipient agrees to indemnify and hold harmless the Minister from any and all third party claims, demands, actions or costs (including legal costs on a solicitor-client basis) for which the Recipient is legally responsible, including those arising out of negligence or willful acts by the Recipient or the Recipient's employees or agents. This hold harmless clause will survive this Agreement.

TERMINATION AND REPAYMENT OF GRANT

- 12. This Agreement may be terminated by the Minister immediately on written notice if, upon the expiry of 30 days after written notice has been received by the Recipient of its breach of any obligation under this Agreement, the Recipient has not rectified the breach, in which case termination will occur upon receipt or deemed receipt by the Recipient of the notice.
- 13. If this Agreement is terminated, without limiting in any way the Minister's rights or obligations under any applicable law, the Recipient will repay all or part of the Grant, as determined by the Minister, to the Minister within 30 days of termination.

WAIVER

14. A waiver of any breach of a provision by the Minister will not be binding on the Recipient unless the waiver is in writing and the waiver will not affect the Minister's rights with respect to any other or future breach by the Recipient.

ASSIGNMENT

15. This Agreement may not be assigned by the Recipient without the written consent of the Minister.

NO EMPLOYMENT RELATIONSHIP

- 16. This Agreement is not intended to and does not:
 - a) constitute either party as the agent of the other for any purpose, or otherwise create any relationship of agency;
 - b) constitute or create any joint venture; or
 - c) constitute or create any partnership,

and neither party will allege or assert for any purpose that this Agreement constitutes or creates a relationship of agency, joint venture or partnership.

CHOICE OF LAW AND JURISDICTION

17. This Agreement will be governed and interpreted in accordance with the laws in force in the Province of Alberta and the parties hereby irrevocably attorn to the jurisdiction of the courts of that province.

AMENDMENT

18. This Agreement may not be modified or amended except by mutual consent of the parties, in writing.

TIME OF THE ESSENCE

19. Time will be of the essence in all respects of this Agreement.

NOTICES

20. Any notice, consent, approval or other communication under any provision of this Agreement must be in writing to be effective and is effective when delivered by any means, including fax transmission, to the following respective addresses:

STAFF REPORT

Title: Municipal Stimulus Program (MSP)

Meeting Date: August 11, 2020

Executive Summary:

On July 28 the Alberta Government announced a \$500M Municipal Stimulus Program (MSP) with the key component being Alberta's Recovery Plan based on the information regarding shovel ready infrastructure projects that were submitted by municipalities in Alberta.

The MSP is designed to distribute stimulus funding quickly and equitably across the province so local government can help support local jobs and stimulate the economy. Funding will be allocated using the same formula as the Federal Gas Tax Fund largely based on per capita. The City of Cold Lake's allocation is \$1,778,401 and must sign the attached MSP memorandum of agreement (MOA) along with submitting the project applications before October 1, 2020. Project applications will not be forwarded to the Minister until an executed MOA is received. Municipalities have a broad discretion to apply for projects within the eligibility, however, the Minister retains authority to approve projects. Any funding not committed to by October 1, 2020 will be utilized at the discretion of the Minister.

Background:

The MSP is to help create and sustain local jobs for future economic growth. Projects must begin construction in 2020 or 2021 and the portion of the project to be funded by MSP must be fully expended by December 31, 2021. Projects must not result in a municipal tax increase and the Municipality must commit to further supporting growth in their local economy by reducing municipal red tape.

Eligible Projects must result in the construction or major rehabilitation of a capital asset that falls within one of the eligible categories based on the structure of the Municipal Sustainability Initiative modified to exclude categories and activities with minimal contribution to economic recovery. The approved project must be one that would not go ahead in 2020 or 2021 without the MSP funding.

Municipalities must commit to submitting an annual Red Tape Reduction Repot by February 1 of 2020 and 2021 which outlines steps taken to make new business starts easier, streamline and shorten development and permit approvals, and steps taken to make the municipality more attractive for new investment and tourism.

Alternatives:

Council may consider the following options:

- 1. Council may approve the participation in the MSP program by signing the MOU.
- 2. That Council to choose not to apply for the Municipal Stimulus Program.

Recommended Action:

Administration recommends that Council approve the participation in the Municipal Stimulus Program (MSP) with Cold Lake's allocation of funds totaling \$1,778,401.00.

Budget Implications (Yes or No):

Yes

Municipal Stimulus Program

Summary

- \$500-million allocation-based program structured on the Municipal Sustainability Initiative (MSI), for construction of capital projects before December 31, 2021.
- Funding is distributed based on the Gas Tax Fund (GTF) allocation formula (largely per capita with a \$50,000 minimum; summer villages receive a base of \$5,000 plus the per capita amount).
- Project eligibility based on MSI guidelines, modified to exclude categories and activities with minimal contribution to economic recovery.
- Municipalities have broad discretion to apply for projects within the eligibility criteria, but Minister retains authority to approve projects.
- Municipalities will be required to report on progress in reducing municipal red tape.

Objectives

- Sustain and create local jobs.
- Enhance provincial competitiveness and productivity.
- Position communities to participate in future economic growth.
- Reduce municipal red-tape to promote job-creating private sector investment.

Program Overview

- Program is open to municipal authorities, Metis Settlements, and the Townsite of Redwood Meadows.
- Municipalities must commit to submitting an annual Red Tape Reduction report for each of 2020 and 2021. They will be required to indicate to the Minister's satisfaction how they have made progress in the following areas since the stimulus program was announced:
 - What steps have been taken to make it easier to start up a new business in the municipality?
 - What steps have been taken to streamline processes and shorten timelines for development and permit approvals?
 - What steps have been taken to make the municipality a more attractive destination for new investment and/or tourism?
- The red tape reduction report template will require municipalities to identify how they have reduced red tape from among several provided options, or they may identify their own actions. They will also be required to provide relevant metrics and/or a qualitative description of specific actions they have taken.
- Projects must begin construction in 2020 or 2021, and all funds must be expended before December 31, 2021, or repaid to the province. However, projects may continue past this date using other sources of funding.
- Municipalities must indicate the amount of funding required in both 2020 and 2021 for each project.
 - Payments for 2020 expenditures will be issued once municipalities sign the conditional grant agreement and receive approval on their project application(s).
 - Payments for 2021 expenditures will be issued in May 2021, unless municipalities identify a requirement to receive funding earlier.

Page 1

- Projects must result in the construction or major rehabilitation of a capital asset that falls within one of the eligible categories.
 - Project categories are based on modified MSI project categories.
 - Some MSI eligible projects, such as rolling stock, equipment purchases, and infrastructure management systems are not be eligible, as they do not support economic development or job creation.
- Projects *must* not create new operational funding requirements for the province and *must* not, as a result of the projects, lead to higher/increased municipal taxes.
- Projects previously approved for MSI or GTF funding are not eligible and municipalities will not be permitted to withdraw and resubmit MSI or GTF projects to gain eligibility.
- Proponent must attest that the project would not go ahead this year or next year in the absence of support through the stimulus program.

Allocations

- Funding is allocated using the Gas Tax Fund (GTF) formula (per capita with a minimum funding amount of \$50,000; summer villages receive \$5,000 plus the per capita amount.)
 - Approximately 30.6% will go to Calgary, 23.1% will go to Edmonton, and 46.3% will go to other municipalities.
- This allocation formula favours more populous urban municipalities, but, previously announced stimulus funding delivered through the Strategic Transportation Infrastructure Program, the Alberta Water/Wastewater Partnership, and the First Nations Water Tie In benefits primarily rural and small urban municipalities.

MUNICIPAL STIMULUS PROGRAM

MEMORANDUM OF AGREEMENT

(hereinafter called "the Agreement")

BETWEEN:

HER MAJESTY THE QUEEN, in right of the Province of Alberta, as represented by the Minister of Municipal Affairs (hereinafter called "the Minister")

AND

the **City of Cold Lake** (hereinafter called "the Municipality")

hereinafter jointly called "the Parties"

Preamble:

WHEREAS the Municipal Stimulus Program represents the Province of Alberta's commitment to support economic growth and local jobs;

WHEREAS the Municipal Stimulus Program will make infrastructure funding available to the Municipality to use on approved infrastructure projects that support the provincial and local economies;

WHEREAS under the Government Organization Act, RSA 2000 and the Municipal Affairs Grants Regulation (AR 123/2000), the Minister is authorized to make grants and to enter into an agreement with respect to any matters relating to the payment of a grant;

WHEREAS these funds are to be used by the Municipality for eligible expenditures incurred on projects accepted by the Minister.

NOW THEREFORE in consideration of the mutual terms and conditions hereinafter specified, **THE PARTIES AGREE AS FOLLOWS:**

- 1. The preamble is incorporated as an integral part of this Agreement.
- 2. In this Agreement, unless the context requires otherwise "Program Guidelines" means the guidelines for actions, events, criteria, report formats, and other directions applicable to the Municipal Stimulus Program as may be prescribed or

determined by the Minister and as may be amended from time to time by the Minister.

- 3. The Parties shall execute this Agreement and the Municipality shall return an executed Agreement to the Minister prior to the Minister transferring any funds to the Municipality under this Agreement.
- 4. The Minister agrees to provide funds to the Municipality under the Municipal Stimulus Program subject to the following:
 - (i) Sufficient approved funding appropriated by the Legislature;
 - (ii) Sufficient accepted eligible Municipal Stimulus Program projects as defined in the Program Guidelines;
 - (iii) Completion of reporting requirements as outlined in the Program Guidelines; and
 - (iv) Compliance with all other terms of the Agreement.
- 5. The Municipality agrees to provide to the Minister:
 - (i) A project application for each project to be initiated under this program;
 - (ii) An annual report of the initiatives undertaken by the Municipality to reduce administrative burden ("red tape") and encourage investment as described in the Program Guidelines; and
 - (iii) An annual summary of the actual grant expenditures on each project undertaken in that year and the year-end grant balance on hand (Statement of Funding and Expenditures), including certification by the Municipality that it is in compliance with the terms and conditions of this Agreement

all in a format as prescribed in the Program Guidelines for this grant program.

- 6. The Municipality agrees to accept the funds provided by the Minister in accordance with the following additional terms and conditions:
 - (i) The Municipality shall maintain a separate accounting for the funds provided;
 - The Municipality shall ensure that expenditures accounted for against the principal amount of the funds provided, income earned, and other credits as described in the Program Guidelines are applied only to projects accepted by the Minister;
 - (iii) All funds provided to the Municipality, not expended prior to December 31, 2020 may be carried forward to the next year and must be expended on an accepted project before December 31, 2021. Thereafter, all unexpended funds shall be returned to the Government of Alberta;
 - (iv) The Municipality shall undertake actions to encourage investment and/or reduce the administrative burden ("red tape") imposed on local businesses and residents to the satisfaction of the Minister or the Municipality will be required to repay the funding;
 - (v) All projects under this Agreement shall be carried out in accordance with the rules, regulations and laws governing such works and in accordance with the best general practices then current at the time of the construction of the project; and
 - (vi) This Agreement does not replace, supersede, or alter the terms of any other existing funding Agreement between the Minister and the Municipality.
- 7. The Municipality shall adhere to all project eligibility criteria, project credits, project tendering requirements, and other items or directions as outlined in the Program Guidelines.
- 8. The Municipality agrees that the funding provided under this program is for capital expenditures as outlined in the Program Guidelines.
- 9. The Municipality agrees to allow the Minister and/or his agents, including but not limited to, the Auditor General of Alberta, and representatives of the Province of Alberta, access to the project site; any engineering drawings or documents; any

books of accounts relating to funding and expenditures claimed under this Agreement; and any other such project related documents as deemed necessary by the Minister in performing an audit of the projects undertaken under this Agreement. All project related documents shall be kept by the Municipality for a minimum of three years following completion of the project.

- 10. The Municipality shall indemnify and save harmless the Minister, his servants, agents and employees, from and against all actions, claims and demands arising directly or indirectly from the preparation for or implementation of the projects, whether or not the damage arose as a result of the actions or omissions of third parties.
- 11. Where the Municipality enters into contracts with third parties for the implementation of a project, such contracts shall include provision that the third party shall be solely responsible for and save harmless and indemnify the Minister, and his officers, employees and agents from and against all claims, liabilities, and demands of any kind with respect to any injury to persons (including without limitation) death, damage to or loss or destruction of property, economic loss or infringement of rights caused by or arising directly or indirectly from i) the project; ii) the performance of the contract or the breach of any term or condition of the contract by the third party or its officers, employees or agents; iii) the on-going operation, maintenance and repair of the project; or iv) any omission or any willful or negligent act of the third party or its officers, employees or agents.
- 12. The Municipality agrees that it is not entitled to claim compensation for its costs, expenses, inconvenience or time expended in relation to the administration of the funds provided under this Agreement nor in respect to this Agreement.
- 13. The Parties agree to give this Agreement a fair and reasonable interpretation and, when required, to negotiate with fairness and candour any modifications or alteration thereof for the purpose of carrying out the intent of this Agreement and/or rectifying any omission in any of these provisions.
- 14. Notwithstanding the date for completion of all projects and the expending of funds under section 6(iii) of this Agreement, this Agreement shall continue in effect until March 31, 2023.
- 15. The Agreement may be renewed or extended thereafter, for a further one (1) year period, if mutually agreed to in writing. In the event that this Agreement is not renewed or extended, the Municipality shall return all uncommitted funds as of the termination date to the Government of Alberta.

16. Any notice, demand or other document required or permitted to be given under the terms of this Agreement shall be sufficiently given to the party to whom it is addressed if personally delivered, sent by prepaid registered mail, or e-mailed to the addresses as follows:

The Minister:	Municipal Affairs 15 th Floor, Commerce Place 10155 – 102 Street Edmonton, AB T5J 4L4

or to such address as either party may furnish to the other from time to time.

- 17. Any dispute between the Minister and the Municipality on any question of law or fact arising out of this Agreement shall be submitted to and determined by the Court having jurisdiction over this Agreement.
- 18. The rights, remedies and privileges of the Minister under this Agreement are cumulative and any one or more may be exercised.
- 19. If any portion of this Agreement is deemed to be illegal or invalid, then that portion of the Agreement shall be deemed to have been severed from the remainder of the Agreement and the remainder of the Agreement shall be enforceable.
- 20. This Agreement is binding upon the Parties and their successors.
- 21. The Parties agree that the laws of the Province of Alberta will govern this Agreement.

The Parties have therefore executed the Agreement, each by its duly authorized representative(s), on the respective dates shown below.

Title: 2020 Capital Budget Amendment - Municipal Stimulus Program (MSP)

Meeting Date: August 11, 2020

Executive Summary:

On July 28 the Alberta Government announced a \$500M Municipal Stimulus Program (MSP) with the key component being Alberta's Recovery Plan based on the information regarding shovel ready infrastructure projects that were submitted by municipalities in Alberta. The MSP objective is to help create and sustain local jobs for future economic growth. The City's allocation of \$1,778,401 which needs to be allocated to shovel ready projects that the funding can utilized by December 31, 2021.

Administration has future Street Improvement Projects (SIP) already engineered and ready to be tendered for Council's consideration for the MSP application.

Background:

The City on April 16, 2020 sent a letter sent to Minister providing a list of shovel ready projects

- 1. WWTF 20M
- 2. CLRUSC Wastewater Force Main project 5M
- 3. Fischer Storm Water Pond 2.5M
- 4. Kinosoo Beach Regional Park Development 3.5M
- 5. Pressure Reducing Valve Installation 2.25M
- 6. RCMP Facility 11M

The projects on this list that may be able to be completed by December 31, 2021 include the Wastewater Force Main, Fischer Storm Water Pond, Pressure Reducing Valve Installation and possibly the Kinosoo Beach Park Development.

Administration recommends Council consider street improvement projects that would qualify for the MSP. Attached is a list and a map of SIP totaling \$3.5M that are already engineered but the City currently does not have funding to complete these projects. These projects are ready to proceed and will be able to be completed by December 31, 2021.

Alternatives:

Council may consider the following options:

1. Council may amend the 2020 Capital Budget to include the MSP funding of \$1,778,401 for the Street Improvement Program.

2. Council may chose not to approve the amendment to the Capital Budget and recommend other shovel ready projects.

Recommended Action:

Administration recommends that Council pass a motion to amend the Capital Budget from \$10,112,390.00 to \$11,890,791.00 to include the \$1,778,401.00 for a 2020/2021 Municipal Stimulus Capital Street Improvement Program to be funded from the Municipal Stimulus Program (MSP).

Budget Implications (Yes or No):

Dear Ministers Madu, McIver, and Nixon:

Further to a conference call on April 7, 2020, with the Honourable Minister of Municipal Affairs, and pursuant to a request during that meeting to forward the Government of Alberta shovel-ready projects for consideration as a means of economic stimulus once the COVID-19 response winds down, the City of Cold Lake respectfully submits the attached project descriptions.

The attached list is, of course, by no means exhaustive. Indeed, you will find that additional important and shovel-ready projects will be forwarded from and supported by the City of Cold Lake through various partnerships and collaborations.

These include, but are not limited to:

- The Lakeland Catholic School District's proposed High School in Cold Lake (Ministry of Education); and
- Portage College/City of Cold Lake Aviation Education Project (Ministry of Advanced Education).

In the interest of reducing redundant submissions; however, we have outlined here the most pressing and shovel-ready infrastructure projects in the City of Cold Lake that relate solely to the municipality's infrastructure.

In many cases, these are projects which our Council has already partially funded, and which the City of Cold Lake has been working on with the Government of Alberta for various regulatory approvals over the years.

-2-

It is well known that communities across Alberta, Canada, and the globe are suffering great economic hardship during these unprecedented times. Thanks in large part to the strong leadership of the Government of Alberta, there is hope that we can begin rebuilding our economy once it is safe to lift the public safety measures put in place, and continue to support our residents and business community.

Respectfully yours,

Craig Copeland, Mayor

City of Cold Lake – Municipal Project List

1. Cold Lake Wastewater Treatment Facility (WWTF)

The Cold Lake Regional Utility Services Commission's (CLRUSC) membership is comprised of representatives from the City of Cold Lake, Municipal District of Bonnyville, Cold Lake First Nations, and the Department of National Defense.

In April 2019, the City of Cold Lake and the Cold Lake Regional Utility Services Commission made application under the Alberta Municipal Water/Wastewater Partnership (AMWWP) for the Cold Lake Waste Water Treatment Facility (WWTF).

Further to a letter from Alberta Transportation dated November 20, 2019, advising that our application has been placed on the AMVWPs list of potential projects subject to program priorities and budgets, please be advised that the CLRUSC is currently finalizing a pilot project using Moving Bed Biofilm Reactors (MBBR). The purpose of this pilot project was to test the effectiveness of this technology in removing ammonium from wastewater to meet the desired effluent limits set by Alberta Environment and Parks (AEP) and Environment Canada (EC).

Given the innovative nature of this technology, it was being piloted during the winter months for a "worstcase-scenario" analysis to assess the performance of the system when the ammonia concentration in the lagoon effluent is high and the microbial activity is low. To date, the project is producing very positive results.

The operation of the current WWTF is permitted under Alberta's Environmental Protection and Enhancement Act approval No. 1585-04-00 which expires on January 1, 2022. Although not in the current approval, it understood that AEP expects that the WWTF be upgraded at some point as we transition to a new approval. It may be difficult to achieve this schedule if there is a delay in funding as the construction phases of the proposed WWTF are contingent on the availability of provincial and/or federal funding.

The City of Cold Lake and the CLRUSC believe that this project can be fast tracked to create construction and commissioning based jobs (engineering and trades) over the next two (2) years and ongoing operational jobs for the continued operations and maintenance of this innovative technology that lowers capital compared to traditional methods of waste water treatment.

There are only a few such plants existing in Canada and this will be the first in Alberta. This project could start a trend that will ultimately result in more cost-effective waste water treatment options.

Time is of the essence for this project, as increasing regulations coupled with licence renewals and funding challenges are putting increasing pressure on the CLRUSC to fund a waste water treatment solution.

Project Value = \$20 million

2. Cold Lake Regional Utility Wastewater Forcemain Project

The Cold Lake Regional Utility Services Commission's (CLRUSC) membership is comprised of representatives from the City of Cold Lake, Municipal District of Bonnyville, Cold Lake First Nations, and the Department of National Defense.

Further to Project #1 (being the <u>Cold Lake Wastewater Treatment Facility</u>); the CLRUSC has a regional forcemain which requires replacement and expansion. This infrastructure connects the various users to the current and proposed future waste water treatment facility.

In 2016, the forcemain failed, resulting in one of Alberta's largest waste water spills in the history of the province. Unfortunately, the failure occurred subsequent to the unwarranted stop order of an <u>approved</u> wetland crossing that was required to replace the infrastructure under the wetland. The ultimate result was an event which created millions of dollars in financial damages for the CLRUSC, and years of ongoing monitoring of the wetland. The province granted approval of the forcemain replacement under the wetland through an environmental protection order.

These damages limited the commission's ability to replace the remaining forcemain, which is designed and shovel ready, however, funding is short of what is required to complete the project. The CLRUSC has committed \$1 million in funding towards the project and is seeking for further financial assistance.

The City of Cold Lake and the CLRUSC believe that this project will create construction, commissioning, and supply chain based jobs (engineering and trades) over the next 12 months.

Project Value = \$5 million

3. Fischer Storm Water Management Pond

Having initiated a land exchange in March of 2016, we have waited over four (4) years for this process to be completed, only to have no updates from the Approvals and Disposition Office. This news comes despite the fact that planning and preliminary work on this project stretched back as far as 2003, and despite the Approvals and Disposition Office having all required plans and documentation in its possession since May 2, 2017. Our project now finds itself in a position where another required approval - a Water Act Approval - has expired before the land exchange was approved, necessitating further extensions. The city has also had to cancel tenders for the project, which has negatively impacted jobs for the region and opportunities for economic growth and development.

While we understand that there is a process and a certain amount of red tape involved, the timelines experienced in this case are extreme and, quite frankly, unacceptable.

This project is the result of years of work and collaboration between the City of Cold Lake, five (5) separate private developers, and engineering firms hired to assist throughout the process. From the outset, none of the parties - all experienced in land development - could foresee or anticipate the delays this project has encountered because of a failure to process a routine exchange of land. At no point was the group informed that the process could extend as far as four (4) years into the future when this was initiated in 2016, or beyond two (3) years of submitting all required documentation for approvals.

The City of Cold Lake's Fischer Storm Water Pond Project is crucial to alleviating storm water management concerns for a significant portion of the municipality. Not only will the project help to relieve existing pressures on the city's storm water management system, but it is also necessary to accommodate new growth in the south of the city. In short, the city's current infrastructure and our future economic growth stand to benefit from this project's successful completion.

It has taken considerable effort and some expense to maintain the joint venture group's unity, interest, and resources over the course of the past three (3) years. The City of Cold Lake and the private investors involved have dedicated money and time to this project, only to receive disappointing communication with little to no signs of progress from the Office of Approvals and Disposition.

Due to consistent delays with no sign of progress, no clear picture of the process, and no completion date on the horizon, the joint venture group which made this project possible from the outset and for the most part walked away. The City of Cold Lake is seeking financial assistance to complete this long awaited project. The project is expected to create construction, commissioning, and supply chain based jobs over the next 12 months and open up approximately 103 hectares of land for future residential and commercial development.

We have attached a timeline of the City of Cold Lake's Fischer Storm Water Pond Project for reference.

Project Value = \$2.5 million

4. Kinosoo Beach Regional Park Development

In July 2014, Cold Lake City Council adopted the Kinosoo Beach Master Plan, a comprehensive plan to rehabilitate and improve the city's cultural, recreational, and community hub. A major draw for locals and tourists alike, Kinosoo Beach is a regional park, and the focal point of the city's summer celebrations, including Canada Day.

The master plan lays out a phased-in approach for enhancing the beach, maximizing the use of public space, improving the quality of storm water that reaches the lake, providing for safe pedestrian access to the area, and expanding the recreational opportunities available to the public - all while integrating environmental sustainability features.

The Kinosoo Beach Master Plan was made with wide-ranging input from the community and extensive stakeholder consultation, including our indigenous neighbours. Furthering progress towards completing the vision of the master plan would increase the space's capacity and increase the regional draw to the area, supporting local businesses and tourism operators. Cold Lake is a growing tourism destination in Northeast Alberta, with space at local campgrounds at or near capacity during the peak summer months. The Province has recognized this and has expanded the local campgrounds.

Unfortunately, the City of Cold Lake was declined for Investing in Canada Infrastructure Program (ICIP) funding for the project, to which the City allocated approximately \$1 million. The project has been placed on hold due to the resultant funding shortfall.

Project Value = \$3.5 million

5. Pressure Reducing Valve (PRV) Installation Program

The City of Cold Lake's master plans and the multi-year capital investment strategy identified the need make pressures zones in the water distribution system throughout the city (specifically Cold Lake North). There are certain areas of the city that are experiencing extremely high pressures (e.g. along the 1st and 2nd Avenue areas) with the many upgrades that have been completed (including trunk lines and pump stations); while other areas of the community with extremely low pressures. Some of the higher pressures that are being experienced are at the maximum thresholds of house plumbing specifications. Despite the fact that the city is now experiencing fewer calls in areas such as Lefebvre Heights regarding very low pressures, we are now receiving calls regarding the very high pressures.

The present situation requires that certain areas of the city be quarantined into lower pressures zones using pressure reducing valves (PRV). In order to create a pressure zone as outlined in the utility plans, four (4) PRV's are necessary which are valued at approximately \$750,000 each.

The City of Cold Lake believes that this project can be fast tracked due to the fact that the city has already funded one (1) of the four (4) needed PRVs, in late 2019. The design and construction of the PRVs are essentially the same for all locations, minimizing project design time and costs. This project will create construction, commissioning, and supply chain based jobs (engineering and trades) over the next 12 months.

Project Value = \$2.25 million

6. RCMP Facility

The RCMP building expansion project was initiated in 2016 with JMAA (architect) completing the facility review and feasibility studies. RCMP's K-Division (asset management) completed the space analysis and indicated that an additional expansion of 500 sq. m. would be required to be added to the current 835 sq. m. (for a total of 1,335 sq. m.) to address the overcrowding issues, and meet operational requirements for the next 10 to 15 years.

Based on the significant growth of RCMP members, the addition of a General Investigation Section, implementation of a Police Dog Service, and the impending implementation of a Lakeland Regional Crime Reduction Taskforce, the spacing requirements was increased to an additional 889 sq. m for the next 10 to 15 years.

The City of Cold Lake and the RCMP are working to finalize the design of the new detachment. At this time, the City has already allocated approx. \$3.5 million to the project. The City of Cold Lake believes that this project can be fast tracked to create construction and commissioning based jobs (engineering and trades) over the next two (2) years.

Project Value = \$11 million

PROJECT 3 – FICHER STORM WATER MANAGEMENT POND

Timeline of Events (Notes) for Fischer Pond

- 2003 a wetland was identified as the SWMF in the adopted Fischer Pond Area Structure Plan
- 2005 initial meetings were held between the City, AENV and ASRD to discuss approval requirements for the design and construction of the SWMF
- 2006 Scheffer Andrew confirmed the requirements for processing the and approval of the SWMF with ASRD and AENV
- 2006 the City approved the Master Drainage Plan. The Master Drainage Plan identified the need to a SWMF in the location of the existing wetland
- 2006 an Agreement was made between the City and the private developers regarding the design/ construction process and the cost sharing for the SWMF
- **2007** the City applied to CAMRIF program to fund the City share and the City proceeded with design and construction of the outfall and developers proceeded with the design of the SWMF
- March 2007 the original application for shore line/ water body modification pursuant to the Water Act and Public Lands Act was submitted to Alberta Environment and Alberta Sustainable Resource Development, along with the application, the assessment of the wetland on Section 34-62-2-W4M and a compensation plan to mitigate the wetland loss was submitted.
- May 2007 the application was referred directly to the Disposition Services Division, ASRD and the application for approval under the Water Act was publicly advertised in Cold Lake with no statements of concern filed in response to the ad.
- April 2008 a letter was sent detailing a wetland compensation plan for the unnamed wetland, Section 34-62-2-W4M (Cold Lake, Alberta) that would satisfy the requirements of Alberta Environment and Sustainable Resource Developments, the need for a SWMF for the subdivision as well as attempt to address DND design needs as was understood at the time.
- **December 2008** DND based on their jurisdictional interest over the project concerning the aviation zoning outlined several design recommendations as being conditional to their acceptance of the project. The requirements from DND were not consistent with the province of Alberta's ecological and wetland compensation objectives that provided the foundation for the plan submitted in April 2008 is invalid as the design could not incorporate the many design modifications requested by AE and ASRD.
- July 2009 a letter was submitted to Alberta Public Lands with an updated compensation plan for loss crown land and loss of wetland. The letter acknowledges the constraining influence of DND proposing to redesign the SWMF such that the configuration of the shoreline would be modified, but the area within the shoreline currently claimed by the crown would remain unchanged. It would then become possible to compensate on site at a ratio of 1.1 by giving the Crown title to the full area of the SWMF. As for the wetland compensation as there could be no onsite monetary compensation would be paid to Ducks Unlimited to contribute to the Moose Lake watershed restoration. 13.8 ha at 3:1 ratio, approximately \$4800/ hectare with a cost contribution of \$200,000
- November 2014 DND accepts the plan and the mitigation measures

- April 2015 DFO letter no SARA species
- **June 2015** AEP letter regarding their concerns for ownership of bed and shore and encroachments on the March 2014 Survey Plan and the April 2015 Meeting. AEP would be prepared to proceed with land exchange based on amended terms
- August 2015- Reapplication for Land Exchange based on amended terms
- October 2015- AEP letter rejecting the land exchange proposal
- December 2015 City held a follow-up meeting with AEP
- March 2016 AEP follow-up letter signaling an approval for the land exchange proposal and that AEP will proceed with application for land transfer provided the terms and conditions were met within the letter and executing the letter of agreement. The letter of agreement was reviewed, executed and sent back to AEP in April, 2016.
- March 2017 Water Act Approval issued expiry March 2019
- August 2017 Two of the private developers request to no longer partner and will not be part of the construction phase due to delays.
- July 2018 City proposed a new project funding approach- all parties in support to move and construct again.
- January 2019 Draft Joint Servicing (P3) Agreement was negotiated and accepted (to be executed) by all parties
- February 2019 email sent from CAO to AEP Stakeholder Relations requesting for an update. AEP indicated that the City is in queue with a few other applications ahead of ours before that they can reopen the file and review. AEP also indicated that the City will receive follow-up back end of February or early March, 2019. no further response
- March 2019 attempted call for update to AEP Senior Manager Approvals and Disposition Service no response.
- March 2019 email sent from CAO to AEP Regional Manager no response.
- March 2019 Water Act Approval for the project expired Extension requested.
- April 2019 Water Act Approval extended expiry March 2021.
- May 2019 email sent from CAO to AEP Regional Manager AEP indicated that they were under the impression that someone from AEP had or was to follow-up with the City some time ago and signaled further follow-up no further response.
- May 2019- two different private developers (separate from the event of August 2017) have requested to no longer partner in project due to delays.
- May 3, 2019 follow up email sent to AEP Senior Manager Approvals and Disposition Service for update to April 2019 email no response.
- May 29, 2019 letter sent to the Minister of Environment and Parks, House Leader, Honorable Jason Nixon no response.
- July 10, 2019 follow up email sent to AEP Senior Manager Approvals and Disposition Service for update to May 3, 2019 email no response.
- August 15, 2019 follow up email sent to AEP Senior Manager Approvals and Disposition Service for update to July 10, 2019 email no response.
- August 20, 2019 City: Mayor, CAO and GM of Infrastructure met with the MLA Hansen. MLA Hansen indicated that he'll look into the file.
- September 19, 2019 City: Mayor and CAO met with the Minister of Municipal Affairs. Minster Madu indicated that he'll look into the file. No further follow-up received

- October 8, 2019 Fischer Pond Project Tendered for Construction with assurances from the Minister and the MLA looking into the issue as why the City hasn't received any follow-up.
- November 1, 2019 Tender closed with 12 bids were received
- November 5, 2019 email sent from CAO to AEP Stakeholder relations requesting for updates and tender information.
- November 12, 2019 email sent from CAO to AEP Stakeholder relations requesting for update.
- November 13, 2019 email sent for Mayor to MLA Hansen requesting for an update from August 20, 2019 meeting. MLA Hansen indicated that he would look into the file no follow-up to date.
- November 22, 2019 follow-up call with AEP Stakeholder Relations. AEP could not provide much insight on the delays and indicated that the City still in queue with others still be being ahead before the AEP can reopen and review the file. AEP would not provide specifics and would only signal that there continues to be files ahead of the City. The City requested for insight on the process timelines of approvals and that AEP should be advising applicants that the process takes several years at the onset (e.g. 5+ years). AEP indicated they would look into the file and follow-u on the status.
- December 5, 2019 follow-up email from AEP indicating that their organization is now in the midst of a reorganization and will be reporting to different supervisors and managers. They hope of have things ironed out in late January 2020. AEP recommended the City continue to call and/or email into AEP to receive updates.
- January 7, 2020 a query was made to AEP regarding the status of the approval.
- January 17, 2020 AEP responded and signaled that they do not have the capacity to manage the file however will appoint a staff member to have a quick review the file.
- February 12, 2020 AEP indicated that their review confirmed that all minor corrections were made back in 2016/2017 however the plans needed to be updated to 2020. No additional information is necessary. The file will be put into the cue for review.
- February 24, 2020 a query was made to AEP regarding the status of the approval and indicated the acceptance period for the tender was nearing (March 31, 2020).
- February 28, 2020 AEP advised that the management went on holidays therefore the file will be on hold for several weeks until their return.
- March 31, 2020 a query was made to AEP regarding the status of the approval and indicated that another month has gone by and the date has arrived for the acceptance period for the tender.
- March 31, 2020 the City of Cold Lake cancelled the tender despite having very competitive bids.
- April 15, 2020 AEP advised they are busy with other priority projects therefore no times can be provided as to the next time they can review the file.

STAFF REPORT

Title: Request for Funding - Cold Lake Seniors' Society

Meeting Date: August 11, 2020

Executive Summary:

Attached is a letter from the Cold Lake Seniors' Society requesting assistance from the City of Cold Lake to help offset costs quoted at \$63,000.00 to re-pave the Senior Centre parking lot.

In accordance with their long-range capital plan, the Seniors' Society have decided to go ahead with re-paving the parking lot at the senior's centre. The lot has become a serious safety concern due to the deterioration of the surface resulting in serious tripping hazards and particularly slipping hazards in the winter. Also, the poor condition of the lot makes snow clearance difficult in the winter.

Background:

It should be noted that the Cold Lake Senior's Society did not make application under the City's Community Capital Grant Program. We've attached the grant policy for reference purposes.

Section 4.2 of the policy articulates that a community organization is only eligible to receive one (1) Community Capital Project Grant under this policy every two (2) years. The Cold Lake Senior's Society recently received a grant in the amount of \$10,000 in May, 2020 (It should be noted that they requested for \$20,000).

In discussions with the President (Ray Coates), there was a feeling that Council would consider this beyond its existing grant programs for community organizations and that the City would also facilitate any necessary discussions with the Municipal District of Bonnyville to access of funding on behalf of the Cold Lake Senior's Society.

For reference purposes, we've also attached the Cold Lake Senior's Society financial work sheet. Please note that this information is not an audited financial statement.

It was also noted that time is of essence as the construction season is quickly passing.

To date, without consideration of this request or any others on the August 11, 2020 agenda, \$4,000.00 (Cold Lake Alpine Ski Society \$2,500, CLMHA \$10,000 (event cancelled due to COVID-19), Kids Time Out Play Program \$100, and RCMP Regimental Ball \$3,924.00 (event cancelled due to COVID-19), Ronald McDonald House Charity Golf

Classic \$400.00, and the Lakeland Lodge and Housing Foundation \$1,000.00) has formally been allocated from the 2020 Council Goodwill budget by motion of Council.

Further to the above, Council has allocated only \$10,000 of the \$50,000 budget for Community Capital Grant Program. Council could considering allocating funding from this program to the project. That being said, this would fall outside of the policy.

Alternatives:

Council may consider the following options:

- Pass a motion to provide a grant to the Cold Lake Seniors' Society to help offset costs of re-paving their parking lot, in the amount of \$63,000.00 with funds to come from Council Goodwill (1-2-11-20-229).
- Pass a motion to provide a grant to the Cold Lake Seniors' Society to help offset costs of re-paving their parking lot, in the amount of \$15,000.00 (to \$40,000) with funds to come from the Community Capital Grant Program (1-2-11-20-229).
- Pass a motion to postpone the issue to Council's regular meeting of August 25, 2020 to allow some discussion to occur with the Municipal District of Bonnyville.
- Pass a motion to respectfully decline the request for a grant to the Cold Lake Seniors Society to help offset costs of re-paving their parking lot, and request that the Cold Lake Senior's Society make their grant application thru the Community Capital Grant Program.

Recommended Action:

That Council pass a motion to provide a grant to the Cold Lake Seniors' Society to help offset costs of re-paving their parking lot, in the amount of \$15,000.00 with funds to come from the Community Capital Grant Program (1-2-11-20-229).

Budget Implications (Yes or No):

Yes

Mayor Craig Copeland City of Cold Lake 5513 – 48 Avenue Cold Lake AB T9M 1A1 Dear Mayor Copeland,

In accordance with our Long-range Capital Plan the Seniors' Society have decided to go ahead with re-paving the parking lot at the Centre. This lot has become a serious safety concern due to the deterioration of the surface resulting in serious tripping hazards and particularly slipping hazards in winter. The poor condition of the lot also makes snow clearance difficult in winter.

In previous correspondence you had indicated a willingness to help with this project and possibly also get assistance from the M.D. of Bonnyville. This letter is to request this assistance from the City of Cold Lake.

Given the current troubled status of our local economy we tendered this project and received a very reasonable quote of \$78,000 (attached) from Laredo Construction. We hope to have the project completed while the parking lot is currently not busy due to the Covid shutdown. Currently only the Public Library and a few rental office personnel are using the lot. We have accepted this quote but would very much appreciate City and M.D. assistance as we have other large health and safety maintenance projects pending.

Thank you for your consideration of this request.

Sincerely,

MITIS

	MINUTES OF THE MUNICIPAL PLANNING COMMISSION HELD MAY 13, 2020 COMMENCING AT 6:00 P.M. CITY OF COLD LAKE COUNCIL CHAMBERS
PRESENT	Councillors: Mayor Craig Copeland Bob Buckle Chris Vining Duane Lay Jurgen Grau Kirk Soroka Vicky Lefebvre
ALSO PRESENT	Howard Pinnock, General Manager Planning and Development Brad Schultz, Planner Fakharah Nazir, Development Officer Denise Pollard, Recording Secretary Trevor Benoit, Applicant, Value Master Builders Ltd. Agnes Gendron, Cold Lake Native Friendship Centre
GALLERY	Pam Green Jocelyn McMormack Alison Lazurko Richard Jack Matthew Downey Terry Melnyk Susan White Christy Matteden Terry & Bob Adams Dan McMillan Zane Thain
CALL TO ORDER	Mayor Copeland called the meeting to order at 6:00p.m.
ADOPTION OF AGENDA	Moved by D. Lay that the agenda be adopted as presented. Carried Unanimously
DISCLOSURE OF INTEREST	None.
ADOPTION OF MINUTES	Moved by K. Soroka that the minutes of the May 5, 2020 Municipal Planning Commission meeting be adopted as presented.
	Carried Unanimously
OLD BUSINESS	None
NEW BUSINESS	DP #220046 Application for Development – Temporary Shelter F. Nazir presented the application for Development Permit #220046 from Value Master Builders Ltd. for a Temporary Shelter with excess high fence at 5009 49 Street, which is a Discretionary Use within the R4 High Density Residential District.
	Mayor Copeland asked the Commission members if they had any questions.
	C. Vining indicated that he was struggling with the lot layout. F. Nazir clarified the proposed development layout by referencing a map view and the site plan.
MPC – May 13, 20	Page 1 of 6 Page 178 of 2

V. Lefebvre asked about the back alley access concerns.

F. Nazir reiterated that administration has several concerns with relation to the proposed lane-only access, including:

- The City does not perform regular lane maintenance within its current service levels, which could pose an issue with all-weather access in wet or snowy weather.
- Emergency Services also noted a concern with the proposed lane access for emergency operations.
- The Lane access would be difficult to provide a proper municipal address for the parcel once subdivided. This could lead to confusion for anyone trying to locate the development, particularly in the event that emergency services are required.

J. Grau asked if the lot servicing could be explained.

- F. Nazir advised that:
- The lot is currently serviced from 49 Street.
- The proposed utility service connection is acceptable from a Development Permit standpoint; however, if the property is subdivided, a separate utility service connection for the Temporary Shelter would be required, as the new parcel cannot have its utility service connection provided through an adjacent private parcel.
- In the event that MPC approves the application, the approval should include a note regarding the requirement for a separate service connection to be provided in the event that the parcel is subdivided.

K. Soroka noted that the floor plan in the presentation shows 6 bedrooms but the brochure that was handed out by the Cold Lake Native Friendship Centre shows 14 rooms. He questioned if there is a plan for an expansion.

B. Schultz advised that the City is not aware of an expansion at this time. A. Gendron advised that they would eventually want to expand; the brochure represents the ultimate plan.

Mayor Copeland invited the applicant, Trevor Benoit, with Value Master Builders Ltd. to the floor.

T. Benoit reviewed the lot layout, including the 8 foot fence proposed for the west side of the lot, the floor plan and the current servicing connection. He noted that:

- He met with the City and was told the development had to be within R4 zoning.
- The proposed development is being built at the rear of the parcel so that the balance of the parcel can be subdivided in the future and used for condos.
- The City doesn't want to be liable for servicing issues if the lot is subdivided which is why they are proposing a condition regarding the requirement for a separate service connection in the event that the parcel is subdivided.

C. Vining asked about the plan for emergency services access with the facility placed at the rear of the property.

A. Gendron stated that it's cut and dry; we want to see this happened. Trevor is willing to help us and I don't see any problems; we have snow removal equipment to keep the alley clear.

B. Schultz advised that it is administrations understanding that the applicant intends to subdivide the parcel at a later date, so that the proposed development would be on its own titled parcel.

T. Benoit confirmed that the Friendship Centre's goal is to have ownership of the lot after the parcel is subdivided.

D. Lay said he was concerned about access and parking off of the alley; if the development was facing 49 Street there would be additional on street parking available.

T. Benoit noted that the site plan includes a 2 car garage and a 2 car driveway for a total of 4 onsite parking spaces. It is not anticipated that more than 2 staff would be at the property at a time, and clients typically don't have vehicles; therefore, the provided parking should be sufficient to meet the needs of the proposed development.

Page 2 of 6 *C* C Page 179 of 256

D. Lay asked if the shelter would receive deliveries.

A. Gendron advised that the facility is self-sufficient; staff make all the purchases so there would not be any deliveries.

J. Grau asked the applicant what his relationship is with Kokum's House. T. Benoit advised that he has been contracted by the Cold Lake Native Friendship Centre to build the new temporary shelter and in this case Value Master Builders Ltd. are also the owners of the lot being proposed to build the new shelter on.

K. Soroka inquired about clients making and selling goods and if items will be sold out of the new temporary shelter.

A. Gendron advised that no items will be sold out of the shelter; they will be selling items out of the old Macrotronics location. They hope the store is successful and generates income to support the shelter.

K. Soroka commented that this is all about location and the sensitively of the matter is represented by the number of people in attendance. He then asked if the City suggested other locations.

T. Benoit advised no; this is the only property that met criteria and stated it has been a struggle to find a location because nobody wants a shelter in their back yard. Regardless, a shelter is needed and if this application is refused we need to find another location asap.

C. Copeland asked if there was anyone in the gallery who would like to speak.

Jocelyn McCormack - 4806 50 Avenue

- Supports the need for a shelter but is strongly opposed to the proposed location.
- The facility will house a temporary population with addictions, mental health problems and possibly sexual predators and pedophiles, etc.
 - She noted, section 161 of Canada criminal code recommends a series of restrictions on sex offenders. They cannot attend public spaces where children are likely to be present - such as schools, parks, swimming pools, playgrounds and daycares.
 - The fact that the proposed location is beside a park, across the alley from a day home, less than a block away from an elementary school, and is in close proximity to the women's crisis centre and transitional housing, the proposed location is a recipe for disaster.
- She referenced a study and an article that suggests homes within a few blocks of a shelter sell for up to 25% less and residential areas with men's shelters see crime such as property damage, theft, vehicle theft or vandalism, etc. rise by 56%. Similarly, if a shelter was located in or near an industrial area, crime actually fell by 32%.
 - In our already depressed market the proposed location for the men's shelter translates to increased financial losses for the residents in the surrounding area.
- It doesn't make sense to move it to a completely new location.
 - The location by Ford is accessible to all parts of the demographic of a men's shelter and was already deemed appropriate and safe for all individuals concerned.
 - Any impact that the shelter had was mitigated by its distance from vulnerable groups.
 - If the structure by Ford is unsalvageable, she recommend rebuilding on that site to keep the citizens, our children and the men's shelter tenants safe.
- Any benefit from relocating the men's shelter is far outweighed by the risks of that relocation.
- She urged Mayor and Council to vote no to the proposed location of the men's shelter.

Page 3 of 6 Page 180 of 256

Matthew Downey - 4818 51 Avenue

- Acknowledges the need for a men's shelter in our community but the facts cannot be avoided.
- He noted that Vancouver did a study and areas with shelters have seen crime increase within a 100m radius.
- Very concerning that he did not receive notice from the City.
 - B. Schultz advised that under the MGA municipalities are only obligated to post in the paper after a decision is made but the City's Land Use Bylaw takes it a step further and stated that adjacent properties were sent notices via mail.

Richard Jack - 5003 48 Street

- Has compassion and understands the need for a men's shelter but not at this location.
- All the potential problems have been touched on but in addition to its close proximity to a park and school there is a lot of pedestrian traffic in this area and the neighboring 4-plexes on 50 Avenue have lots of children.
- He asked if this was put in the paper.
 - B. Schultz advised that no the application was not advertised in the paper; decisions are posted in the paper so residents have an opportunity to appeal.
 - B. Schultz advised that letters were mailed to all adjacent property owners to advise them of the application and the opportunity to attend the MPC hearing and provide comments prior to a decision being made on the application.
- He asked if there is still a \$250 fee to appeal a decision.
 - \circ B. Schultz advised that yes there is an appeal fee of \$250.
- He noted that the City of Cold Lake's bylaws define nuisance and offence or objectionable uses that adversely affect the amenities and that may interfere with normal enjoyment of a neighbourhood; putting a shelter at the proposed location will definitely affect and interfere with the normal enjoyment of the neighbourhood.
- If this location is approved with back alley access and the City is going to plow it then all alleys should be plowed.
- We have great bylaws for hotels, motels, etc. but zero bylaws/guidelines for temporary shelters.
- In Toronto they set out guidelines, policies and procedures for temporary shelters including:
 - hours of operation;
 - o 24/7 certified staff;
 - training requirements;
 - o screening requirements
 - Does this shelter screen people when they enter and are their staff trained to do this.
 - A. Gendron advised that no drugs or alcohol are allowed in the shelter and noted they had success at the previous location.

Susan White, Executive Director – Dr. Margaret Savage Crisis Centre

- We desperately need a shelter; disappointed that it's only a men's shelter.
- Understands the problems we face with the homeless; struggles will not go away.
- Serious concerns with the location being only one block from the Crisis Centre and transitional housing. There have been several instances where women and children fleeing domestic violence were staying at the Crisis Centre, and their abusers were staying at Kokum's House.
- Another major concern, is the management, services offered and regulations required including policies, procedures, and reporting; not sure what, if anything is in place.
- Offered her support and time to help.

Dan McMillan - 4807 51 Avenue

- Agrees with the concerns already covered.
- Inquired about the height and size of the building.
 - o T. Benoit clarified.
- 15+ years ago the previous owner was refused to build a shop on the lot.
- Makes no sense with lane only access.
- What about fencing on all sides?

C. Copeland asked if it is possible to put a fence around the entire property. T. Benoit advised that yes the entire property could be fenced if approved.

Terry Melnyk - 5217 38 Street

- Owns a condo adjacent to the proposed shelter location (the middle yellow building at 4911 51 Ave).
- The condos, like most properties in Cold Lake, are suffering from low market value and adding a shelter right next to them will bring the values down further.
- Understands the importance for this type of facility; however, this is not the proper location.

Terry Adams - 4917 51 Avenue

- Is aware of the problems and the need for a shelter but there are lots of children in this area.
- Having a shelter at this location will allow shelter users to observe the routines of children.
- Will there be additional policing?
- Not fair to the children of Cold Lake; we need to keep them protected.

Bob Adams - 4917 51 Avenue

- All aspects/concerns have been covered, children, park, school, etc.
- We have to look into our hearts and find a solution.
- We have to trust that Council will take into consideration all concerns raised and make the right decision.

Christy Matteden - 5012 48 Street

- Second what everyone else said.
- Not impressed that the school, crisis center, etc. did not receive notice of the proposed temporary shelter location.
- The last place was lost to fire so it is very concerning that the proposed location only has alley access.
- Hopes a more appropriate location is found.

Zane Thain - Cold Lake Native Friendship Centre

- Understands the concerns with this location.
- Has been running Kokum's House for the past 5 years; seen it all and is aware of the issues.
- The shelter is not only used by First Nations.
- Trying to establish a thrift store to support the facility.
- We just need land so Trevor can start work.
- Would like the City to find a location and rezone if necessary so Trevor and the Friendship Centre can build the much needed shelter.

T. Benoit - these are all valid concerns. If this location is refused we need to find an appropriate location and establish construction timelines asap.

A. Gendron - time is of the essence; we need a location now because November to January is hard for men.

C. Copeland thanked everyone in the gallery for their participation.

Page 5 of 6

	Discussion ensued regarding possible locations including 4312 50 Street (behind Boston Pizza). This location would require rezoning to allow for a Temporary Shelter.			
	C. Copeland asked if they considered rebuilding by Ford. A. Gendron advised that they were renting the house by Ford. They cannot afford the rent increase after it is rebuilt and the owner wants \$700,000 to buy the property, which they also can't afford.			
	B. Buckle asked if the existing Friendship Center could be expanded. T. Benoit advised that the Friendship Centre is zoned RMX. The building has a basement but the basement wouldn't support the needs of a shelter. The building can support a second story but may not meet parking requirements.			
	C. Copeland asked the Commission if they had any closing remarks.			
	D. Lay – I cannot support the development at the proposed location but I'm supportive of finding an appropriate location as soon as possible.			
	V. Lefebvre – I cannot support the proposed location. Thank you for what you are trying to accomplish, it is needed in our community. We will work with you to find a property.			
	C. Vining – I cannot support the alley facing development; you know emergency services will be required. Then there is the public safety piece with it being in close proximity to the Crisis Center, park, school, etc.			
	J. Grau - we need to find a location but not this property.			
	B. Buckle – it is cut and dry; this is not an appropriate location. This needs to be referred back to Council to find a location.			
	C. Copeland - you guys do an amazing job and everyone is supportive because there is a real need for a shelter. We are committed to working with you to find a location. We need to determine the next steps and take everything into consideration including servicing. We also need to understand the long term goals of the shelter.

MIN	NUTES OF THE MUNICIPAL PLANNING COMMISSION HELD MAY 19, 2020 AT 5:00 P.M. CITY OF COLD LAKE COUNCIL CHAMBERS
PRESENT	Councillors: Mayor Craig Copeland Bob Buckle Chris Vining Duane Lay Kirk Soroka Vicky Lefebvre
ALSO PRESENT	Howard Pinnock, General Manager Planning and Development Brad Schultz, Planner Fakharah Nazir, Development Officer Denise Pollard, Recording Secretary
ABSENT	Jurgen Grau, Councillor Kelly Eljaji, Kelly's Signature Homes - Applicant
CALL TO ORDER	Mayor Copeland called the meeting to order at 5:03p.m.
ADOPTION OF AGENDA	Moved by K. Soroka that the agenda be adopted as presented. Carried Unanimously
DISCLOSURE OF INTEREST	None
ADOPTION OF MINUTES	None
OLD BUSINESS	None
NEW BUSINESS	DP #220049 Application for Addition to Service Station F. Nazir presented the application for Development Permit #220049 from Kelly's Signature Homes for an addition to an existing Service Station (car wash) at 1302 & 1304 8 Avenue, which is a Discretionary Use within the RMX - Residential Mixed Use District.
	Mayor Copeland asked the Commission members if they had any questions.
	Several Commission members inquired why it is the Developer's responsibility to determine who is responsible for the fire hydrant in question; discussion ensued.
×	 B. Schultz advised: There is an existing fire hydrant on the east side of the building that the applicant has suggested needs to be moved to prevent it from being hit by vehicles exiting the future extension. It's currently not clear whether the hydrant is on the City boulevard or on the Developer's property. Administration is recommending that the developer be required to submit a real property report detailing the location of the hydrant in order to determine who is responsible for the cost of moving the hydrant. Typically infrastructure is the Developer's expense; if it needs to be moved to accommodate his expansion it will likely be at his expense.

V. Lefebvre asked about classifying the development as a Service Station vs. Drive-Through Vehicle Services.

B. Schultz advised that:

- A car wash is typically classified under drive-through vehicle services but can fall under either of the definitions.
- "Drive-Through Vehicle Services" are not listed as a permitted or a discretionary use within the RMX District, meaning the existing car wash would be considered a non-conforming use.
- A "Service Station", however, is a Discretionary-MPC Use within the RMX District.
- Given that the existing car wash has been in place for many years with no known issues or concerns being raised, it would be reasonable to reclassify the development as a Service Station so that it would be considered a conforming use under the Land Use Bylaw and will allow the business the opportunity to expand.

V. Lefebvre asked if the business is classified as a Service Station can they put in gas pumps.

B. Schultz advised that a development application would have to be submitted and approved before gas pumps could be installed.

C. Vining inquired about expanding the building to the 13 Street side because normally a building wouldn't be that close to the sidewalk. He also asked if there were underground utilities in the boulevard.

B. Schultz advised that:

- The underground utilities are located in the alley and/or street and third party utilities in the area are overhead.
- Although the application does not conform to 7.13(1)(b) which states that no part of a service station building shall be located closer than 6.00m to a side or rear property line, this application is for an expansion of an existing facility, the location of the existing building and the site layout does not allow for these specific requirements to be met.
- Administration is of the opinion that these requirements could be waived under the authority of 3.8(3), as the proposed expansion of the facility does not have any foreseeable negative impact on adjacent properties.

B. Buckle asked about landscaping.

B. Schultz advised that:

- Given that most of the site is required for ingress/egress to the wash bays, there is little opportunity to provide a substantial amount of landscaping without impairing vehicle circulation on the site.
- Administration would recommend that the applicant be required to provide some planters along the building to introduce some soft landscaping in the spirit of the Land Use Bylaw.

Discussion ensued and the Commission inquired if a condition can be imposed requiring the applicant to hard surface the entire lot, in addition to some planters.

B. Schultz advised that yes the Commission can impose a landscaping condition requiring the Developer to hard surface the lot.

MOTION

MPC - May 19, 2020

Moved by D. Lay that the Municipal Planning Commission Approve Development Permit 220049 subject to the following conditions:

Page 2 of 3 Page 186 of 256

1. Meeting all other requirements of the Land Use Bylaw 382-LU-10 as amended.

- 2. Meeting the requirements of the Current Alberta Building Code and Safety Codes Act.
- 3. Meeting all other requirements of the City of Cold Lake Engineering Standards.
- 4. Meeting the requirements of all other applicable legislation.
- 5. Meeting the requirements of the current Alberta Fire Code.
- 6. Any exterior signage will be permitted subject to approval of all architectural and structural plans.
- 7. Developer shall provide a Real Property Report detailing the location of fire hydrant which needs to be moved.
- 8. Developer shall be required to hard surface all areas of the lot and adjoining boulevard that are required for vehicle access and circulation and shall provide soft landscaping through the use of planters as well as on any areas not required for vehicle circulation.

MINUTES

COLD LAKE REGIONAL UTILITY SERVICES COMMISSION MONDAY, JUNE 1, 2020 6:00 PM

CITY HALL – COUNCIL CHAMBERS – 5513 – 48TH AVE.

- Staged commissioning is anticipated to start in June.
- Contract 04 Transmission Main SITE Resources
- Approx. 98% complete based on project cost; 100% complete based on length of pipe.
- All pipe is installed and is currently being filled, swabbed and pressure tested between the Transfer Station and Bonnyville Pump House and Reservoir. Map showing summary of pressure tested sections was provided.
- o Section 2, Beaver River, will be pressure tested last.
- Remaining work includes finishing connections, disinfecting the pipeline, project clean up (final grading, seeding, fencing, trail aggregate, tree planting, installation of ball markers, marker posts).
- CLFN connection design is also in progress.

Discussion ensued.

- D. Swigart asked for clarification on the Transfer Station with regards to the Ardmore/Fort Kent line.
 - A. Khan clarified that Transfer Station has been sized and plumbed to connect the Ardmore/Fort Kent line in the future.
- D. Swigart asked how long does the MD has to connect the
 - A. Khan advised that:
 - It can happen any time but it has to be coordinated.
 - The Ardmore/Fort Kent tie in to the Transfer Station is not necessary for the Regional Line to become operational.
 - The MD will continue to receive water from the City of Cold Lake's distribution system until the tie in occurs. If they tie into the new transfer station they will become customers of the Bonnyville Regional Water Services Commission.
- D. Swigart asked about the benefits of tying in the Ardmore/Fort Kent line to the Transfer Station.
 - A. Khan advised:
 - The MD will likely be able to purchase water at a cheaper rate from the Bonnyville Water Commission;
 - The water will be treated with chloramines which will provide longer-lasting disinfection as the water moves through the pipe.
- B. Buckle asked about the Iron Horse Trail concerns previously raised by Muni-Corr.
 - A. Khan advised:
 - The contractors are aware of the concerns and a change order is in the works.
 - The dirt works profile being worked on.
 - The trail will be returned to its original condition or better.

Waste Water Treatment Plant MBRR Pilot Project Update

K. Nagoya advised:

- The pilot study ended in May 28, 2020.
- The results of the pilot study will be summarized in a draft report that AECOM expects to submit to the CLRUSC by the end of June. The report will include:
 - Commentary on the results of the study;
 - Recommendations for the full-scale system to be designed and constructed;
 - A conceptual site plan identifying the location of the proposed new equipment;
 - Updated cost estimates;
 - Commentary on equipment procurement options; and
 - Updated project completion schedules.
- Decommissioning of the pilot project is in progress.
- Environment Canada are keeping tabs on the Commission and their wastewater treatment progress.

Discussion ensued.

MINUTES COLD LAKE REGIONAL UTILITY SERVICES COMMISSION MONDAY, JUNE 1, 2020 6:00 PM CITY HALL – COUNCIL CHAMBERS – 5513 – 48th AVE.

- B. Buckle asked if we have tapped into any funding.
 - K. Nagoya advised:
 - FCMs Green Municipal Fund provided funding for the pilot project.
 - An application has been submitted to AMWWP for the Wastewater Treatment Facility – Mechanical Upgrade; no response to date.
 - The Wastewater Treatment Facility Mechanical Upgrade project was listed in a letter to Government of Alberta regarding shovelready projects for consideration as a means of economic stimulus once the COVID-19 response winds down; no response to date.

NEW BUSINESS

2019 Financial Statements

Move by C. Vining that the 2019 Financial Statements be accepted as presented.

Carried Unanimously

Building 4 Force Main Condition Assessment and Feasibility Study K. Nagoya advised:

- CLRUSC completed an overall of Building 4 a few years ago. Now the force main leaving the building requires assessment.
- The force main assessment from Building 4 to Building 9 was approved in CLRUSCs 2020 capital budget.
- Annexation catchment areas will be reviewed as part of the assessment.
- RFP closed on May 8, 2020; 4 proposals were received and are under review.

Building 9 Force Main – Phase 4

K. Nagoya advised:

- Construction tender closes on June 15, 2020 at 2pm.
- AECOM is the Engineering Consultant.
- Project scope will take the pipe to the south end Crawford Estates.
- Provisional costs have been included in the tender; may be advantageous to do more if budget allows.
- Very tight utility corridor.
- License agreement was proposed/provided to the MD; no response to date.

Discussion ensued.

None

D. Swigart noted that MD residents are interested in servicing options.
 K. Nagoya advised that he had a meeting with the MD; the MD wants to establish a mandate/level of service before pursuing servicing options.

Building 9 Force Main – Phase 4 Borrowing Bylaw No. 017-FN-20 K. Nagoya presented Borrowing Bylaw No. 017-FN-20 for the Building 9 Force Main – Phase 4 project.

Moved by D. Lay that Building 9 Force Main – Phase 4 Borrowing Bylaw No. 017-FN-20 be given First Reading.

17	2019	Moving Bed Biofilm Reactor (MBBR) Pilot Project (CLRUSC)	Design	45	Awarded to AECOM. CLRUSC is looking to demonstrate the effectiveness of this technology in achieving their vision for wastewater treatment. Given the innovative nature of this technology it will be piloted during the winter months for worst case scenario to assess the performance of the system when the ammonia concentration in the lagoon effluent is higher and the microbial activity is lower.
					Veolia Water Technologies Canada Inc. has supplied the LagoonGuard pilot trailer, with all necessary process equipment (reactors, blower, instrumentation and a control panel) for this study. Veolia's field technicians assisted with the trailer's installation, start up and the commission of the LagoonGuard equipment/process and they trained the City's staff. When the process stabilized Veolia handed over operational responsibility to the City, and are remotely monitoring the process and supporting the City.

Fire Calls – 19 in total

During the month of July there were nineteen (19) fire calls that Cold Lake Fire-Rescue (CLFR) responded to. CLFR responded to one (1) structure fire in the City of Cold which was a duplex fire. Fire crews arrived to a fully involved structure fire with flames showing through the roof. Fire crews ensured everyone was outside and knocked the fire down quickly and then worked on hot spots. Both sides of the duplex sustained substantial fire damage and will need quite a bit of work before the tenants can return. The fire was deemed nonsuspicious. CLFR responded to one (1) vehicle fire which was a burnt out abandoned vehicle and a total loss. The fire was deemed suspicious. CLFR responded to four (4) motor vehicle collisions (mvc) during the month with one requiring extrication, and all requiring varying degrees of scene safety, traffic control, patient care, packaging and removal. One was an offset frontal collision, one was a t-bone collision, one a rear-ender collision and one was a vehicle versus motorcycle. Of the eight (8) alarm calls CLFR attended, all were deemed to Seven of the alarms were residential fire alarms and one was a be false alarms. commercial/institutional fire alarm. The fire alarms which were activated included: six from cooking smoke, one from a faulty detector and one from kids playing with keypad. Finally, CLFR responded to five (5) public/agency assistance calls which included: one agency assist call with RCMP for a child on a roof who was gone when CLFR arrived and four public assistance calls. The four public assistance calls included two odor investigation calls with nothing found, a swimmer in distress who was able to make it to shore and an arcing power line where ATCO was already on scene and isolated the power.

During the month CLFR responded ten (10) times within City limits and nine (9) times in the MD of Bonnyville. Evening response [1600-2400] (10) were the highest response times at 52.63% followed by daytime response [0800-1600] (8) at 42.11%, followed by overnight response [0000-0800] (1) being at 5.26%.

Municipal Enforcement continues to provide education and enforcement initiatives in Cold Lake throughout high volume traffic areas. Initiatives included nine-teen initiatives and speed sign deployments at two locations during the month of July. Locations included; west bound on 50th Avenue at 58th Street and southbound on 54th Street at 53rd Avenue. Municipal Enforcement continues to actively conduct patrols of the downtown core, marina, and alleys throughout the community, beach recreational areas, outdoor ice rinks and recreational green spaces within the city. The patrols allow Peace Officers to liaise with community partners; and provide members of the public with education and awareness on public safety, while addressing areas of concern. Officers continue to provide a visible enforcement presence in the downtown core by foot and by vehicle patrol, which include alleys between businesses and common public gathering locations. In July, Peace Officers conducted one hundred and nine-teen patrols throughout the community. Parks and city facility patrols consisted of one-hundred and ninetyseven patrols. Peace Officers continued to monitor facilities such as the Energy Centre and Regional Transfer Station as a result of recent illegal activity at the facilities. Peace Officers conducted a Joint Force Operations with the 4 Wing Military Police. During the month of July, Commercial Vehicle safety awareness consisted of nine Commercial Vehicle inspections, seven-teen violations were noted. Violations consisted of expired registration transporting goods without properly securing, improper application of trailer brakes and examination of documents. Municipal Enforcement addressed forty-four animal related calls for service. Municipal Enforcement initiated action on twenty-five unsightly property concerns. As part of providing ongoing customer service efforts, officers assisted the public with seventeen information and patrol requests and seventeen traffic related matters were addressed.

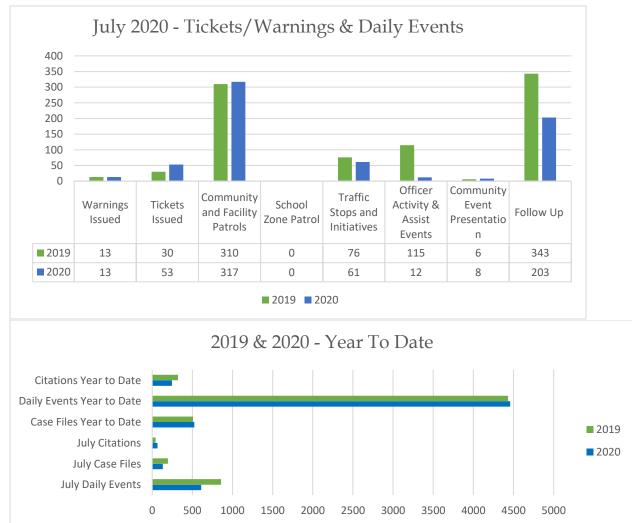

Energy Centre (School Year Start) Since September 2019 – As of July, 2020 to school year has concluded as a result of the COVID-19 pandemic.

- Patrols of the facility and surrounding premises has consisted of six-hundred and sixty to date since the commencement of the school year.
- Public interactions are regularly being made at the facility. Peace Officers continually liaise with school and city staff. The facility is not fully active.
- Municipal Enforcement initiated investigations into graffiti at the Skate Park, bike compound break-in which was referred to the RCMP and deterred people from attempting to steal the canoe trailers in the Energy Centre parking lot. Transfer Station access continues
- Since January 2020, five trespass bans have been issued to individuals misusing the facility.
