Good Morning Craig,

On behalf of Cold Lake Minor Ball we are asking for assistance in hosting U 15 Alberta Zone Championships here in Cold Lake August 16th-18th, 2019. There will be 8 teams from all over Alberta to represent their respective zone. I have attached our sponsorship levels and if you are interested in helping us out could you please get back to me by April 15th, 2019. Look forward to hearing from you and working with the many businesses in the City of Cold Lake to make this big event a success.
