Dear City of Cold Lake,

RE: 784 Wing application for funding under the Community Capital Grant Program.

This letter is in support of the above application by 784 Wing, Royal Canadian Air Force Association ("The Wing"). We have enjoyed the use of the Wings facilities for 10+ years. The Wing provides valued support to Girl Guides of Canada by providing free meeting and storage space for our group's activities which include weekly meetings, sleep overs, and day events.

Thank you for your kind consideration of this project.

Signed

Keri LeBrasseur, District Commissioner
