Dear André,

On behalf of Valour Place, I am pleased to provide a letter outlining your continued support, as well reiterate our genuine gratitude towards 4 Wing Cold Lake for sponsoring a fundraising golf Tournament September 2019.

Being able to access 'state of the art' medical and rehabilitation therapies is imperative for injured and ill Canadian Forces Members, RCMP, Veterans, First Responders and dependants, but it can be expensive for families living outside of Edmonton. Successful rehabilitation is dependent upon these facilities as is equally the support of a loving family in a warm, welcoming and safe environment.

A first of its kind in Canada, Valour Place is the '*hope away from home*' where families of the Military, RCMP, Veterans, First Responders and dependants can stay, at no cost while a family member is receiving treatment. In five short years, Valour Place has provided over 17,000 nights of lodging. On any given night, up to 12 families can safely and free of charge stay at Valour Place. Valour Place is sustained solely by donations.

All funds that are raised are used to top off our savings, which was established from the onset to ensure that no matter what the future brings, Valour Place will never be a burden on the community for continue operations.

Once again, thank you for your ongoing support and charitable donations towards the Valour Place Society. Your support will assist soldiers and veterans in their time of need.

Yours sincerely,

Martin St-Onge, CD
