The Program will be a day and a half of cultures from the around the world represented in the following format:

Food

Demonstrations

Museum articles from around the World

Displays and Interactions from Local people that have their origins from other parts of the World.

We are just in the beginning stages of planning with the LMA but need the letters of support to send in with a grant application that is due by March 29th.

If you need any more information just drop me a line.

Have a Great Day,

Leslie
