Dear Premier Kenney:

**RE: Mid-sized Cities Mayors' and CAOs' Caucus Meeting – Lethbridge, AB**

---

On behalf of the Mayors and CAOs of the Mid-sized Cities Caucus, I want to thank you for joining us at our meeting on Friday, September 13<sup>th</sup> in Lethbridge, AB. We were delighted that you were able to travel and meet with us for dialogue on a number of timely matters that affect our respective municipalities.

The Mid-sized Cities Caucus is a group of leaders representing 22 municipalities who get together twice a year to discuss issues that are important to us and ways we can work together to ensure we are building strong sustainable cities. As you know, collectively we represent just over 1 million Albertans and we are proud of the work this group has done to work with your government to date.

We want to thank you for your leadership. We see how hard this government is working to prepare the provincial budget and we want to applaud the work that you and your colleagues are doing.

Specifically we would like to commend you on the work you have done around C-69 and the Red Tape Reduction initiative. The Mid-sized Cities Mayors are very supportive of your leadership on these files and we look forward to collaborating with you on projects to support economic growth, diversification, job creation and innovation for a stronger future for our municipalities and all of Alberta.

Yours truly,
