Subject: Representative for IWMP - City of Cold Lake

To Whom It May Concern,

LICA is forming a committee for the development of the Integrated Watershed Management Plan (IWMP) and is seeking out representation from the City of Cold Lake.

I have attached a letter of request outlining details of the committee, the Board approved Terms of Reference, and an example IWMP completed by the Lesser Slave Watershed Council.

The Board would like to see this seat filled as soon as possible to ensure a balanced representation of viewpoints at this table. We look forward to hearing from you regarding your appointment of a representative to LICA's IWMP Committee.

Thank you for your attention to this matter.

Erin Ritchie
