Subject: Letter of Support - Celebrate Canada Grant

Hello Mayor,

Thank you for taking the time this year to attend the various events put on by LMA. I am in the process of applying for the Celebrate Canada grant to celebrate the Canadian Multiculturalism Day through ethno-cultural cooking classes. Also, I will be submitting a separate application for a radio program initiative highlighting different cultures between June 22-26, and on July 1.

Would you be able to provide a letter of support to include in my applications for the Celebrate Canada grant?

FYI: This grant supported the Games from Near and Far event in 2019.

Thanks,

Kunal
