

## STAFF REPORT

**Title:** Request for Funding - Lakeland Bantam Jaguars Hockey Team - January 28, 2020 Delegation

**Meeting Date:** February 11, 2020

---

### **Executive Summary:**

At the regular Council Meeting January 28, 2020 Council heard a joint delegation from the Lakeland Bantam Jaguar Hockey team, Ms. Nuttall and Lakeland Midget Jaguar Hockey team, Mr. Cornet, who both are hosting Provincial Tournaments March 19-22, 2020 and March 26-29, 2020.

The Lakeland Bantam Jaguars Hockey Team Manager and Tournament Chair Ms. Kyla Nuttall appeared to request Council's consideration in the donation of ice time or a discount on the ice required for the Bantam Provincial Tournament or a donation to offset their costs of the Tournament.

Ms. Nuttall advised that the Lakeland Bantam Jaguars (ages 13-14) Hockey Team have been selected to host the Hockey Alberta Provincial Championships in Cold Lake from March 19-22, 2020 noting that the event would bring eight (8) Bantam Female teams from the Province to Cold Lake. Each team in attendance will have approximately 15-20 players and they are expecting approximately 300-400 guests from out of town.

### **Background:**

Mr. Cornet and Ms. Nuttall advised that both teams have been selected to host the Hockey Alberta Provincial Championships in Cold Lake on 2 consecutive weekends in March.

Mr. Cornet and Ms. Nuttall discussed how the City of Cold Lake and the Lakeland Midget Jaguars and Lakeland Bantam Jaguars could partner up to make both events the best possible and at the same time, promote the City of Cold Lake.

The Lakeland Bantam Jaguars (ages 13-14) hockey team will host the Provincials on March 19-22, 2020 They are expecting approximately 120-140 players and their families and friends to be in attendance which equates to approximately 400 guests from out of town.

The estimated budget to host this event is approximately \$13,000 which includes the cost of the Ice time for 15 games and Field house rental of approximately \$5000.00. It

is consistently administration's preference to provide a grant versus waiving fees there by recognizing the revenues for the recreational facilities.

Many of the teams will stay in hotels in the area and utilize restaurants and other retail outlets in our community. This will be good for the community and exposure for the Energy Centre to attract other events.

The Recreation and Cultural Special Event Grant Policy No. 097-RC-07 can provide \$1000.00 to the Event but the policy states in order to qualify for this funding that the organization must not have received funding from City Council.

In 2019, Council sponsored the Hockey Alberta Bantam A Provincials in the amount of \$5000.00 which was held March 14-17, 2019.

Council has passed a bylaw to establish a Community Grant Advisory Board and has appointed members to the Board that will be hearing these requests in the future. The newly established Board will be finalizing the Recreation, Culture and Goodwill Policy that has been presented to Council in draft form.

### **Alternatives:**

Council may consider the following Options:
