## City of Cold Lake

Ms. Evans advised that up until now, many businesses have been reacting to criminal activity, at a huge expense, by installing cameras, alarm systems, lights, barriers, gates, bars, fences, etc. and bearing the increasing cost of insurance. The safety and security of Cold Lake citizens needs to become a number one priority, and there have been enough studies done by communities facing similar situations that have shown the following steps to be effective by reallocating or using City emergency funds to:

- hire security more "boots on the ground",
- provide nightly patrols twenty-four (24) hours a day,
- focus on "hot" spots,

- implement neighbourhood Watch Programs,
- establish a community awareness campaign with a phone number to report suspicious activity,
- have schools promote a sense of pride in community (teach our children community responsibility),
- get to know your neighbours and let them know if you are impacted by crime,
- use local media to focus attention and report crime, as well as inform the public about the steps the City is taking to remedy the situation,
- have the City and the Chamber of Commerce diligently lobby the Provincial Government for increased penalties for criminals,
- and schedule a town hall meeting before January 30, 2020 including the RCMP and Council to address private citizen's concerns.

Ms. Evans noted that local resources should be used and provided suggestions that possibly retired military personnel could be used for patrols, vagrancy tickets could be issued, contact Cold Lake Communications regarding the installation of lights and cameras (our local IT citizens have a lot of skills that could be used).

Ms. Evans stated that herself and the other businesses in attendance understand that the City is facing a financial shortfall; therefore, it is imperative that priorities be readjusted to reflect the urgent need for more safety in the City of Cold Lake as crime has increased by 44% in one (1) year, and now Cold Lake is in the top twenty (20) for crime in Canada.

Ms. Evans stressed that time is of the essence; it is critical that actions are taken immediately, and businesses want "boots on the ground" by February 15, 2020.

Extensive discussion and questions ensued from Council at this time.

It was noted that the RCMP will be holding a Rural Crime Town Hall Meeting at the Ardmore Hall on Wednesday, January 15, 2020 starting at 7:00 p.m. There will be a panel consisting of representatives from the MLA's office, Municipality of Bonnyville leadership, RCMP, MD Public Safety, and the Crown Prosecutor's office. The representatives from these groups will provide a brief presentation followed by a general question and answer session with members of the public in attendance.

Ms. Marsha Hayward, an attendee in the gallery, advised of a particular criminal activity event that took place at Crane Lake in 2005 and what the neighbouring residents did to make their community a more secure, safe place to live (i.e. created a Facebook page, learned to become more descriptive, learned to take more photos, etc.). Ms. Hayward encouraged everyone present to attend the Rural Crime Town Hall Meeting in Ardmore, and to participate in the discussion about crime and policing in rural Alberta.

Deputy Mayor Vining thanked Ms. Evans for her presentation and also thanked the many business owners seated in the gallery for their attendance, advising that Council would consider the request at the next regular meeting of Council being January 28, 2020.

Initial administrative follow-up:

In consultation with the RCMP, February 26, 2020 has been already been <u>tentatively</u> scheduled for a community meeting relating to policing. This schedule is subject to the scheduling and availability of important guests. Administration is scheduled to meet Monday January 27, 2020 to confirm dates and topics.

### **Background:**

At Council's January 28, 2020 regular meeting of Council, Council resolved to accept the January 14, 2020 delegation as information and to refer the issue to the February 18, 2020 Corporate Priorities Committee meeting.
