During the month of May there were thirty-seven (37) fire calls that Cold Lake Fire-Rescue (CLFR) responded to. CLFR responded to one (1) structure fire in the City of Cold Lake. The extent of the damage was a small area of the The fire was deemed non-suspicious and the cause was deck and a joist below. undetermined although there were some potted plants above the burnt area. CLFR responded to two (2) vehicle fire responses both deemed suspicious at a rural property. The first vehicle fire response was actually for 15 vehicles lit on fire at a residence. In total 25 firefighters from both stations spent 4½ hours on scene ensuring all vehicles were extinguished as well as the surrounding grass and brush. Later that evening at the same location fire crews again responded for another vehicle fire response this time involving 2 more vehicles at the property not previously ignited. In both instances RCMP attended the scene and on the second response were able to apprehend the arsonist. CLFR responded to three (3) motor vehicle collisions (mvc) during the month with none requiring extrication, and all requiring varying degrees of scene safety and traffic control. Two were rollover collisions with one in a swamp and required fire crews to verify nobody was inside and one was a parking lot incident where a vehicle backed into two parked cars. Of the fifteen (15) alarm calls CLFR attended, all were deemed to be false alarms. Eleven of the alarms were residential fire alarms, two were institutional fire alarms and two were CO alarms. The fire alarms which were activated included: six from cooking smoke, two from shower steam, two from changing batteries, two from power bumps and one due to system maintenance. The two CO alarms were investigated with no abnormal readings using CLFR equipment. CLFR responded to eight (8) wildland fires which were mostly grass/brush fires. One fire in the MD Alberta Forestry was also on scene to assist CLFR to ensure the fire was extinguished quickly. CLFR responded to one (1) contents fire in the MD which was a BBQ and deemed non-suspicious. The homeowner was able to knock down the fire and fire crews ensured it was completely extinguished. Also included were a call for a gas smell which was leaking BBQ hookup, a tree on a power line and two stranded boater calls.
