Capital Project Grants in the past?	Location where the organization is based out of:				
☑ No	☐ City of Cold Lake ☐ Other:				
☐ Yes, in what year(s):					
Explain how the organization is sustainable:	Organization must be either a registered: ☐ not-for-profit (No:) ☐ charitable organization (No: 87382 7190 RC0001)				
☑ Registered on: October 08, 1992					
Since 1992, the 4 Wing MFRCS has provided continuous essential services and programs to the community. They have provided much needed accessible, addordable, and inclusive	y. They have Organization's primary mandate must be to provide				
services that provide broad community engagement. The 4 Wing MFRCS has strong community support, a solid base of	at least one of the following within the City of Cold Lake: (check all that apply):				
volunteers, and a demonstrated track record of providing for	□ sports				
the community's well-being. Co-located with the 4 Wing Theatre, the MFRCS' facilities include a Welcome Centre,	☑ recreation ☑ arts				
Daycare, Pre-School, Youth Centre, Out of School Care Program, Conference Rooms, Playground, Annex Building,	☑ culture				
and a large Assembly Hall for community use.	☑ social services☑ community wellness				
SECTION 2: PROJECT DETAILS					
The project is to: (check all that apply):					
 □ construct a new facility □ expand a facility beyond its existing footprint □ retrofit an existing facility for a new use or purpose □ renovate an existing facility to remodel/restore the specific upgrade the facility's mechanical, security or technol ☑ replace or provide additional major equipment where have a lifespan of 5 years or more 	logy				

The facility (or equipment) will be used for: (check all that apply)	The project creates a new or enhanced service within the City of Cold Lake, which is:			
☑ sports and recreation	(check all that apply):			
☑ arts and culture ☑ social services ☐ parks	 ☑ accessible, affordable, inclusive providing broad opportunities for community members ☑ sustainable for the facility 			
☑ community wellness ☑ other Youth Centre	 ☑ involves a strong volunteer base supporting the facility project while sustaining ongoing operations ☑ supported by the Community 			
Describe the Project: The 4 Wing MFRCS desires to replace or provide addition programs or services which have a lifespan of 5 years or application. The departments impacted include the Youth Care Program, and Core Services. All of these programs at the entire community. The listed items are needed to repla programs and serviceswith additional equipment in order to capital equipment cost is \$39,000 of which the MFRCS will \$13,000 is the request though this Community Capital Programs.	more. A detailed list of capital items is attached to this Centre, Summer Program, Pre-School, Daycare, Evening and services are accessible, affordable, and inclusive to ace either old and outdated equipment, or to enhance the o meet the growing needs of the community. The total II pay \$26,000 from its General Fund. The remaining			
Potential Impact the Project is expected to have on the community: (You may wish to include: the demographics of the community who will be served by the project; the number of community members who may potentially benefit from the project; the level of community support for the project; the potential longevity of the project; how the project will benefit the community.)				
Cold Lake has a young demographic and as such, much of the capital equipment required is for children and youth. Our active Youth Centre has weekly programming for 6-9 year olds and 10-17 year olds, and also offers Drop In for all ages. Our Summer Program can accommodate 40 full-time children who are between the ages of 4.5 to under 6 years old, a demographic that is not well served elsewhere in the community. The Pre-School, Daycare, and Evening Care programs all require new and updated equipment in order to provide the best educational, caring and inclusive environment for children in our care. All of these programs are accessible, affordable, and inclusive. Included in the itemized list equipment for Core Services that will support families for larger community gatherings in our main building, as well as provide new and much needed life saving equipment (AEDs). To make our building even more accessible, bike racks and benches at the front of the building are a necessary addition. All of the items listed will provide for a better experience for our community and contribute to community wellness.				
Is the project receiving funding from another City source?	Anticipated project start date: July 01, 2020			
☑ No	Expected project completion date: September 30, 2020			
Yes, explain the source(s) and what year(s) funding was received:	Proposed location for the project: 4 Wing MFRCS Main Building, Annex Building, Youth Centre

The 4 Wing MFRCS has experienced tremendou equipment in order to meet the needs of the comdepartments who work hard every day to contribution providing accessible and relevant programs and	munity. We have dedicated staff in all ute to the well-being of the community by			
programo una	and valued by all.			

SECTION 3: PROJECT COSTS (MATCH FUNDING	G)
Total Project Costs: \$26,000.00	 Conditions of Funding: The grant request under this program must be one-third (1/3) or less of the total project cost. Applicant must be able to demonstrate that at least two-thirds (2/3) of the project costs will be paid for by the community through: in kind labour, services, equipment/materials which are directly related to the project, and/or monetary donations. Volunteer time must be directed related to the project for which funding is being requested. Please see the Community Capital Grant Policy for valuation of volunteer time and donations. Unskilled labour can only contribute to a maximum of one-third (1/3) of the "community contributions". Qualifying volunteer time must be directly related to the project(s) and may not include any other volunteer hours for fundraising, creating the grant application, time spent in meetings or activities related to planning the project or other planning activities of the organization.
