Dear Mr. Khan:

On behalf of the CPWA Board of Directors, I am pleased to inform you that the City of Cold Lake has been selected to receive the 2021 CPWA National Public Works Week (NPWW) award for a community under 25,000. CPWA is pleased to recognize the fantastic effort put forth by the City of Cold Lake to promote public works during NPWW this year. Congratulations on your outstanding work and this well-deserved award!

The official announcement of these awards will be made virtually at the CPWA Keynote and Awards at [PWX Plus](#) on Tuesday, October 12, 2021. Notification to all municipalities who entered the 2021 CPWA NPWW Awards Contest will not be made until after the official announcement on October 12. Following the official announcement, a representative from the CPWA Board of Directors will be pleased to present your municipality with an engraved plaque at a council meeting or event of your choice, recognizing the City of Cold Lake as a winner of the 2021 CPWA NPWW Awards Contest. Anne Jackson, APWA Director of Sustainability & Canadian Government Affairs, will be in touch with you via email to coordinate details for the presentation.

Again, congratulations and thank you for your hard work during National Public Works Week and throughout the year! We hope the City of Cold Lake will celebrate NPWW again next year during the week of May 15-21, 2022. We look forward to your future involvement in the NPWW Proclamation Campaign and CPWA NPWW Awards Contest.

Yours sincerely,

Patricia M. Podoborzny, CET
