- **MacEwan University**
- **Town of Bonnyville**

Our project will develop/replace a previous Community Performing Arts Theatre (The Lyle Victor Albert Centre.) Situated in Bonnyville, this facility will be central to the Lakeland region.

It will provide opportunities for arts based education for youth, and a place to showcase their talents. It will serve people of all ages, ethnicities and cultures, creating quality family entertainment and economic benefits to the area through live concerts, theatre, and performances.

From the “Bonnyville Country Opry” to the “Grand Old Opry”, in Nashville, TN.
