Re: Application for Equipment Grant

Dear Community Grant Advisory Committee Members,

On behalf of 1<sup>st</sup> Kinosoo Scout Group, I am writing to show support for the group's application for the Community Recreation, Art, Culture and Heritage Investment Equipment Grant.

Scouting provides a valuable experience for youth in our community and helps them develop into respected members of society. 1<sup>st</sup> Kinosoo Scout Group is a non-profit group operating in Cold Lake for over 15 years. COVID-19 has changed the way we participate in Scouting activities. As we return to outdoor Scouting, our new Scouting requirements will mean fewer youth can share the same equipment. The equipment grant will help our group provide new ~~tents~~ required for safe scouting activities and adventures.

*Archery Equipment &*

I fully support the efforts of 1<sup>st</sup> Kinosoo Scout Group to seek external funding to support our ongoing Scouting activities. The key to our success is the support and generosity we receive from our community and our volunteers. Thank you for your consideration of our application for the Community Recreation, Art, Culture and Heritage Investment Equipment Grant.

Yours in Scouting,

Melvin Griffith  
Group Commissioner
