EVENT/OCCASION NAME: International FASD Awareness Day Mocktail Challenge	
EVENT/OCCASION WEBSITE: www.lcfasd.com	
<p>DESCRIPTION OF REQUEST:</p> <p>This September 9th, marks the 24th Annual International Fetal Alcohol Spectrum Disorder (FASD) Awareness Day. We will be celebrating FASD Awareness Day this year on September 8th, as the 9th falls on a Saturday. We would love to have Mayor Craig Copeland attend our centre that day from 12pm-1pm as a Mocktail judge.</p> <p>FASD is a lifelong disability that affects the brain and body of individuals who were exposed to alcohol in the womb. Early identification and intervention can foster healthier outcomes for individuals with FASD. FASD continues to be the leading disability in Canada. Research has shown FASD is more common than Autism, Cerebral Palsy, Down Syndrome, and Tourette's Syndrome combined. We want to ensure that our community receives the message that the safest choice for someone who is pregnant, is not to drink alcohol. As a leader in your community, we ask that you consider signing the attached proclamation to acknowledge International FASD Awareness Day and FASD day in Cold Lake. We would be happy to send a representative to witness the signing.</p>
