Dear Mayor Copeland and City Council,

The APEGA Lakeland Branch is hoping to include the City of Cold Lake as one of the generous sponsors of our charity golf tournament at the Grand Centre Golf and Country Club on August 18. This event aims to raise awareness of the Association of Professional Engineers and Geoscientists of Alberta (APEGA) in the Lakeland region while providing an opportunity for local professionals to meet, socialize, network, and enjoy an afternoon of fun.

Sponsorship proceeds will directly support the APEGA Lakeland Branch Science Olympics, an annual event that challenges grades 1–12 students to solve everyday engineering- and geoscience-inspired challenges using everyday materials. The Science Olympics is a critical outreach program that promotes science, technology, engineering, and math professions and inspires the next generation of engineers and scientists in our area.

Please review the below sponsorship opportunities and contact us at [lakelandbranch@apega.ca](mailto:lakelandbranch@apega.ca) if you have any questions or to become a sponsor today. Alternatively, you can contact our Golf Committee lead, Steve Engman, by calling (780) 594-5380. For more information about the golf tournament visit [apega.ca/golf](http://apega.ca/golf).

Thank you for considering our request. Your response by **August 11** would be greatly appreciated.

Steve Engman, P.L.(Eng.), P.Tech.(Eng.)
