Subject: World CP Day Proclamation

Good afternoon,

Since 2012, communities across Alberta have come together to recognize World Cerebral Palsy Day. This annual event is designed to raise public awareness about the serious challenges that remain for people affected by cerebral palsy.

To help us achieve this goal in communities across Alberta, we would like to request a proclamation of World Cerebral Palsy Day be made in your community to help us raise awareness locally and to mark this important event.

World Cerebral Palsy Day is **October 6, 2023**, and if possible, we request the proclamation be made for this day.

Proclamations can be shared through social media, website, local newspapers, or magazines. **Cerebral Palsy Alberta services over 3900 members across the province, including Devon.** By proclaiming World CP Day in your community, we can work together to create a bright, more just and sustainable future for all Albertans; empowering men, women and children with cerebral palsy to love, learn, laugh and live as full citizens.

Together we make a difference!

Cerebral Palsy Alberta offers innovative opportunities for community inclusion and takes a proactive stance in building capacity for persons with disabilities. Placing the utmost value on respect and dignity, the CPAA empowers members to live a Life Without Limits. Members have access to informed and compassionate support services, health and wellness activities and community advocacy.

Thank you for helping us to create a **Life Without Limits**. I look forward to hearing from you.

Please find our proclamation template attached.

Best Regards,
