Curling Maintenance

With the cold weather in
February, we worked hard
to keep the ice playable,
specifically on sheet one.
With the cold dry air com-
ing through the doors
along the west wall, ice
was needed to be replaced
as it was being sublimated.
Season change is still TBD if
we will have ice beyond
March into April this
Spring.

Golf Course

The snow has drastically
melted off since the begin-
ning of the month. With
less snow, we have started
to check greens to ensure
no ice buildup has oc-
curred. We also had Utili-
ties come out to fix a water
line leak on hole four.
More work will need to be
done in the spring to re-
store the turf to be play-
able. Turf equipment is cur-
rently being serviced.

Golf Memberships

Pre season Membership
sales have been going real-
ly well. We are currently at

waiting for the season to
arrive.
