

STAFF REPORT

Title: McSweeney and Associates - Economic Development Strategy

Meeting Date: February 19, 2019

Executive Summary:

After a successful application to the 2017 intake of the Community and Regional Economic Support (CARES) Program, the City of Cold Lake retained McSweeney and Associates to facilitate the creation of an Economic Development Strategy.

The grant application was spearheaded by Cold Lake's Economic Development Advisory Committee, which felt that development of a new strategic plan to guide economic development would assist with the committee's mandate. The committee felt that the previous document, *Action Plan 2006/2007: An Economic Development Strategy for the City of Cold Lake*, was a benefit to its work, but that it had become outdated.

The attached draft strategy was created through:

- Document and statistical review conducted by McSweeney and associates.
- A stakeholder meeting.
- Online survey with over 400 responses.
- A public open house.
- One-on-one interviews with key stakeholders.
- Three focus groups with representatives from 4 Wing; the Oil and Gas Sector; and Tourism and Culture Operators.
- A working session with participants from the stakeholder meeting.
- A final survey sent to stakeholders.

Background:

On October 12, 2017, EDAC passed the following motion:

Moved by I. Myshaniuk that EDAC submit, to Council, the Community and Regional Economic Support (CARES) Program application for approval and request \$25,000.00 matching funds, half of the \$50,000.00 applied for, to hire a consultant to develop a Strategic Plan for Economic Development in the City of Cold Lake.

**CARRIED
UNANIMOUSLY**

EDAC had been looking at means of updating and/or building upon the City's previous economic development plan and felt that the opportunity to have the work done with the help of the CARES program was a timely opportunity. The previous economic development plan, *Action Plan 2006/2007: An Economic Development Strategy for the City of Cold Lake*, has been attached for council's reference.

A draft CARES application, outlining EDAC's rationale for the project and vision of what can be achieved through the project's successful completion, has been attached along with the minutes of the October 12 EDAC meeting.

The CARES program's mandate is to fund initiatives that create a measurable impact and align with one or more of the following program outcomes:

- improving local business environment and/or regional economic collaboration
- increasing support for entrepreneurs and small and medium-sized enterprises (SMEs) to grow and succeed
- enhancing support for businesses and industries that provide diversification to a community or a region
- increasing investment that drives high-value job creation

Alternatives:

- The committee may request for changes to the Economic Development Strategy
- The committee may recommend that council accept the Economic Development Strategy as presented.

Recommended Action:

Administration recommends that the committee passes a motion

Budget Implications (Yes or No):
